Alvo Hammers Out 58-34 Decision Over Murdock Five

ALVO—Alvo, with Roelofs bucketing 20 points and Neben potting 16, hammered out a 58-34 decision over visiting Murdock.

Rueter led the losers with 17 points to take runnerup scoring honors for the evening cage exhibition.

The hometowners made a clean sweep of the basketball games when reserves crashed over Murdock 34-12.

But the invaders girls' volleyball team denied Alvo three victories by taking their contest 28-21.

A Federal Grand jury has broadened its investigation of Representative Adam Clayton Powell to include the questions of salary kickbacks and payroll padding as well as tax evasion.

Seegar Shoots Indians Into Win Column

Charley Seegar's basket in a "sudden death" playoff gave Weeping Water a narrow 36-34 cage victory over Springfield.

The winning points were Seegar's only ones as the two foes locked in a tight defensive battle through four quarters of solid basketball.

Weeping Water's Mike Stacey topped scorers with 12 points, while Gary McDonald and John Saathoff each fired in 8 points. Three other Tribesmen shared in scoring for the homesteading Indians.

Springfield couldn't produce a pointmaker in the double figures but seven cagers had a hand in compiling the final tally. Micks was high man with seven.

Weeping Water jumped off to an 11-6 first quarter edge, and increased it to 21-12 at half-time. But Springfield rolled back after intermission to pull within four points, 30-26 at third quarter's end.

Springfield almost pulled the game out of the fire in the fourth frame knotting the count at 36-all. But Seegar's two-pointer sent the invaders hopes for victory glimmering.

The Indians counted 15 goals and six free throws while Springfield fired 15 field goals and 4 free tosses.

The Government has authorized insured commercial banks to increase interest on savings deposits to 3 per cent from the present 2½ per cent.

The Plattsmouth High School Blue Devils Friday night rammed their season standing to three wins against two losses by turning back Pawnee City, 80-52.

The issue was never in doubt as the homesteading Devils shot to a 19-9 first quarter margin and then bombarded the nets for 23 points and a 42-25 half-time edge.

With Larry Long and Tommy Winscot pumping in the fielders from all angles Plattsmouth added another 23-points in the third frame. Only in the final period, with Blue Devils reserves in action, did invading Pawnee City lead in scoring.

Sharpshooting Long found the range for 20 points on 9 field goals and 2 free throws while Winscot, a torrid shooting sophomore, hit 8 field goals and 2 tosses from charity lane.

Ken Dasher and Bob Beverage also added a chunk of points on 7 field goals and Beverage hit for 6 field goals and

5 charity throws. Chuck Johnson with 12 points and Elmer Jackson with 15 topped the Pawnee City scoring parade.

Coach John Adkins crew compiled a blistering 400 average of completions during the first half and fired a steady 395 in the second half for a 398 game average. The Blue Devils struck for 35 field goals while PC was getting 19.

Pawnee City canned 310 and 333 for a 322 game average. Plattsmouth's audacious frosh quintet smacked Omaha West-side freshmen, 43-28, in a preliminary tussle with Al Dasher pocketing 23 points in a fine shooting exhibition. Jim Shown came through with 15 points as the baby Devils climbed out to a 20-5 first half lead and then coasted to victory.

The locals defense was so tight Omaha was able to garner only three points in the first period of play and two points in the second.

Nehawka Clips St. Bernard's In Wild Game

NEBRASKA CITY—Nehawka clapped a tight defense on St. Bernard's while five Nehawkans were counting scores in the double figure to submerge the local quintet, 60-45, in a wild and wooly game.

With Snyder pounding the nets for 19 points, Hickey firing for 11, and Mean, Jones and Garrens adding 10 points each, the visitors forged a 21-11 first quarter lead.

St. Bernard's fought back in the second and third periods to pull within four points, 40-36, as the third quarter ended.

But that apparently scared Nehawka for they ran like frightened rabbits in the final frame to pile up 20 points while holding the Saints to 9.

Although eight St. Bernard players found the basket, only one, J. Schmitz, tallied in the double figures. Schmitz clipped the strings for 16 points.

Nehawka pulled the string on 20 field goals to 18 for St. Bernard's and added 20 of 58 free throws while the Saints were making good 9 of 23 attempts.

Had Nehawka been a little sharper at the free throw mark the score could have been much larger. An amazing total of 39 personal fouls was called against St. Bernard's.

The victory boosted Nehawka to an even .500 for the season: three wins against three losses.

Avoca Cracks Out 75-38 Win Over Burr

AVOCA—Avoca's sharpshooters, with C. Carsten turning in a scintillating 29-point performance, ran roughshod over Burr 75-38.

Backing Carsten's hand as Avoca surged to a 27-6 first quarter margin, were D. Johnson, who finished his night's work with 17 points, and R. Marquardt who flipped 10 points.

Avoca was vanishing in the distance at halftime with a tremendous 40-12 gap over visiting Burr and the invaders never were able to get within "hollering" distance. The hometowners were on top of the scoring in every period.

Two Burr shooters found their way into two-figure point totals with Powell knocking in 14 and D. Parde counting 12.

Avoca swished the baskets for 35 field goals and 5 of 15 attempts from charity lane while Burr hit 15 fielders and 8 of 23 tosses from gift alley.

The win boosted Avoca to a 5-3 mark for the current cage campaign.

No reserve game was carded but Avoca girls squeaked out a slim 19-18 verdict over Burr in volleyball evening their season record at four-all.

B. Rietsch counted seven points for Avoca while Ellig tallied five for Burr. Avoca held a 12-11 halftime advantage.
