

Devils To Play Lincoln Northeast Quint Friday

Coach John Adkins has spent the better part of this week sharpening the tines of a five-pronged attack he hopes will send the Blue Devils Friday night tangle with fourth-ranked class AA Lincoln Northeast.

The teams are scheduled to tangle in Northeast's gym with the varsity clash set for 8 p. m. Reserves teams of both schools will meet in a 6:30 p. m. preliminary.

There is no doubt Northeast represents the toughest competition for Plattsmouth this year. The Lincoln club currently rides in fourth place in the rankings of a metropolitan newspaper and the locals also will be stepping

out of their class. But Lincoln is only the first of two tough obstacles staring the Blue Devils squarely in the eye this weekend. Saturday night Plattsmouth will host a rugged Glenwood, Ia., five, in the resumption of an interstate feud.

Glenwood and Plattsmouth varsities will meet at 8 p. m. and again reserve quintets of the two opponents will meet at 6:30 p. m. in a curtain-raiser to the main event at Plattsmouth gym.

But back to the upcoming Lincoln fracas, Coach Adkins vows the Northeasters are "big and quick." And he unhesitatingly remarks Plattsmouth will

have to play its best game of the season by far if it hopes to sneak through with a victory.

Northeast boasts a sterling 6-5 center in Jan Wall, and a couple of other starters go by the 6-2 mark.

But in sports eventually there turns up a David for any Goliath—and the Devils, seeking to avenge and atone for a sorry showing against Omaha West side in the recent Ak-Sar-Ben tourney might possibly be hepped enough to sling the stone that conquers Northeast.

The locals currently are working on a 7-3 season mark and Adkins indicated he would go along with his usual starting

lineup of Bob Beverage, Larry Cundall, Ken Dasher, Larry Long and Tommy Winscot.

In Glenwood, the Devils will be meeting a team which is in fourth place in the Hawkye 8 conference and wears a 4-5 league record.

Although not exceptionally tall the Iowa quint uses a conservative brand of ball working two out and three in front and then slipping into a figure 8 weave to set up shots in the middle.

Glenwood's starting lineup uses Wendell Filkins and Joe McManigal at forwards, Bob Sprague, center, and Chuch McManigal and J. D. Coons at guard posts.

Eagle Cracks Avoca 62-41, In County Loop

AVOCA—Eagle's potent basket-makers kept their Cass County Conference unblemished Friday night as they walked to a 32-42 decision over homestanding Avoca.

The issue was never in doubt as Eagle climbed all over Avoca for an 18-11 first quarter margin and then stretched it to 38-15 at halftime.

The win boosts Eagle to four in county loop play. And it was the second quarter, with Eagle's sharpshooters bombarding the nets from all angles which put the win on ice.

Larry Walberg led the Eagle scoring parade with 19 points but he received adequate help from Duane Umland with 12. Gene Rodaway who camed 11. La Vane Johnson with 10, and Arnold Schroder who hit for 9 points.

Avoca's Carroll Carsten tied for evening scoring honors by sinking 19 points backed by Gay Bose who found the range for 15 points.

Eagle kept the pressure on during the third period outscoring Avoca 12-9, but coasted in the fourth frame as the hometowners chunked in 17 points to 12 for the winners.

The Eagle reserves also stretched their record in conference play to 4-0 as they downed Avoca, 41-21. Bill Mack counted 11 and Ron Reynoldson 10 for the Eagles as Paul Fritsch topped Avoca with 8.

Snyder Gives Nehawka Club 49-47 Victory

NEHAWKA—Nehawka's Ted Snyder Friday night calmly toed the free throw line with four seconds to play and bucketed two charity tosses to give his team a narrow 49-47 victory over Alvo.

Snyder's winning tosses gave him an evening total of 19 points—good enough for high scoring honors in a game which found the clubs battling on even terms throughout the conflict.

Alvo roared into a 14-9 first quarter margin but Nehawka bounced back to fight the invaders to a standoff as each counted 11 points. Alvo held a 25-20 lead at intermission.

Nehawka, with Snyder pacing the attack and Mead dunking 16 points, found the range in period three and surged to a 36-35 advantage at the end of three periods.

With but four seconds remaining on the clock, Alvo and Nehawka found themselves all tied up at 47-all when Snyder stepped into the free throw circle.

For Nehawka it was the fourth win against six defeats as the club racked up 18 field goals and 13 of 27 free throws against 16 field goals and 15 of 26 charity tosses by Alvo.

Gilmore sparked Alvo with 13 points and B. Roelofsz added another 10.

Eagle Basket Barrage Tips Dunbar, 67-44

EAGLE—Eagle, rambling along in high gear Saturday night, poured a basket barrage at visiting Dunbar to submerge the guest club, 67-44.

Coach Doyle Gump used his regulars only in the first three periods and even then the lineup was liberally sprinkled with reserves.

The sharp-eyed Eagles, with Larry Walberg zeroing in 19 points, charged to a 10-4 first quarter spread and then rambled to a 29-14 halftime gap.

Clicking smoothly, Eagle had its best period in the third, when it rapped the strings for 22 points while limiting Dunbar to eednhtns ftohtehr and 13, et period as Dunbar hit 17 points to Eagle's 16.

The Cass County quintet, by virtue of the victory, pushed its record to eight wins against three defeats and the club fired 23 field goals and 11 charity tosses into the score book. Dunbar, meanwhile, hit on 17 fielders and 10 free throws.

Steve Parker with 11 and H. Guenther with 10, and E. Klaasmeier and T. Sewell with 9 each, spearheaded Dunbar's losing effort.

Eagle will go back into Cass County Conference competition Friday night in a game with Greenwood.

James Rishel Now Retired From His Railroad Service

James Rishel veteran railroad worker, has now retired from his active work after a service that had started here in Plattsmouth in September 1905. Jim, as he is best known here in the old home town, started his railroad career soon after he completed his high school studies in Plattsmouth. He entered service here in the Burlington railroad shops, where he was to be employed for some fifteen years. He recalls that at the time he entered into this work, Arthur Helps was master mechanic of the shops, Robert Hayes was the general foreman and Dan Smith was foreman of the paint shops.

He spent several years here in shop work and then retired to take up construction work and automobile painting for a time.

Later he served as paint shop foreman of the Ash Grove Cement company during the construction of the Louisville plant and for a few years afterward.

Jim later returned to the Union Pacific where he has spent the past sixteen years. On his retirement from active service his fellow employees joined in presenting him with a beautiful wrist watch as well as a pen and pencil set as a reminder of the years of association.

He has enjoyed a great deal of traveling during his vacations and now that days of labor are over, is planning more of the same. He is planning on a trip to Europe next fall. Jim is leaving Saturday for Phoenix, Ariz., where he will spend the rest of the winter.

BLUE DEVIL basket-ers will attempt on Friday night to atone for a shattering defeat suffered in the Ak-Sar-Ben tourney at the hands of Omaha Westside. The Devils will meet Lincoln Northeast, a ranking state class AA power on the latter's home court. Last week, Westside outscored a colder-than-ice Devil quintet, 21-2, in the first period and went on to take the semifinal battle. Shown above are Bob Hutton (31) and Al Dasher (25) as they battle an unidentified Warrior for the ball.

FROM THE SIDELINES

By EARL S. DAPP

●Plattsmouth's Blue Devils Friday night have an opportunity for atonement when they tangle with rugged Lincoln Northeast at Lincoln.

A win here by the Devils could work wonders moralewise for a club which can't seem to overcome the "jitters" when facing top-caliber teams. The recent Ak-Sar-Ben shellacking handed Plattsmouth by Omaha Westside is a perfect example.

Coach John Adkins shaky Devils allowed (or perhaps it should read 'graciously permitted') Omaha's Westside Warriors the privilege of scoring 21 points in the first quarter. Plattsmouth could manage but two—and it wasn't because they weren't getting the shots. They were.

But simply hitting the backboard, or rimming the bucket, doesn't pay off on the scoreboard (where it counts) and the lead Westside forged in period No. 1 proved sufficient for victory.

In the final three periods the Blue Devils showed to advantage and fought the Westsiders to a standstill. And many an observer left the gym that night feeling the best team, because of a case of "stage fright" had dropped the nod.

Yes, the Devils' performance tomorrow night will go a long way in determining their play the balance of the season. A top-flight effort in the capital city could give Adkins' crew the impetus necessary to send it flying to the Twin Rivers Conference crown. Two wins will do it, and only one victory is necessary for a tie.

●Short ceremonies were held Friday night following the championship hassle between Westside and Wahoo highlighted by presentation of trophies to the three top teams.

Janet Campbell presented the championship emblem to Omaha, while Sharon Harbaugh presented runnerup Wahoo its trophy. Nancy Lancaster gave the third place trophy to Plattsmouth with Larry Long accepting on behalf of the team.

●Doyle Gump—coached Eagle seems to be having pretty much its own way as far as play in the Cass County Conference is concerned. The club has powered to four straight league wins against county opposition.

Pacing the club is ace marksman Larry Walberg, who consistently hits in the double scoring figures. But he gets plenty of help from such guys as Ronnie Reynoldson, Duane Umland, Ronnie Johnson, Gene Rodaway and LaVane Johnson.

All told, Eagle has won eight games against three defeats. And if memory serves, two of those losses were dealt out by undefeated Otoe, a small school powerhouse.

Young And McQuinn Attend Meeting At Grand Island

Rex Young and Lowell McQuinn have just returned from a Nebraska board meeting at Grand Island, of which Mr. Young is vice-president. All eighteen directors representing committees over the state were there beside several other auctioneers.

Meeting was held at the Yancy Hotel with a delicious dinner enjoyed by all of the group.

Many things of importance were discussed at the meeting and a most interesting outline of future work in the state taken up.

It was decided to have the state convention in May at North Platte. This is a meeting that all auctioneers should attend as it brings out many fine points for discussion.
