The Board adjourned to meet Tuesday, April 2, 1957. Board of Commissioners Attest: Chas. Land County Clerk No. 3583 - March 28, 1957.	
United States shrimping, which now brings in an annual 220 million pounds of shrimp, did not put out to sea until 1917. It was at this time that the small off-shore boats were replaced by ocean-going trawlers and the industry began its big-time career.	

Four Weeping Water Men Honored For Service To Church

WEeping WATER (Special) Ray Wiles, Stephen Ambler, Leslie Wiles and Ray Norris were honored on Honor Sunday at the Congregational Church. These four men have served the church in many ways for many years. Rev. E. K. Bauman expressed for the church appreciation of their services and said their influence the church and community will never die.

Deacons Carter Nielsen, Lloyd Ranney, Eugene Day and Rasmus Jr., conducted the honored men to the front of the church and after a few words of gratitude for their influence, pinned on each an emblem of their services. After a covered dish dinner in the church dining room, Rev. Bauman called the group to order. He read a letter from the Rev. John C. Pryor, commending these honored men. Other Deacons then further commented on their activities. Harold Domingo gave an account of Ray Wiles activities, from the time he joined the church in 1906 when S. I. Hanford was pastor. He was a trustee from 1915-1918 and served on the Doane Scholarship Committee in 1917. He was elected to the Board of Deacons in 1918 and served until 1937 when he was elected treasurer, and held that office until he resigned in 1952. Richard Harmon then told of the work of Leslie Wiles. He also joined the church in

1906 during S. I. Hanford's pastorate. He served on the Doane Scholarship Committee from 1918 to 1924. He attended the Weeping Water Academy from 1897-1900 and says he began singing in the choir then. He is still a faithful choir member. He also served on the Board of Trustees from 1919-1953.

The long service of S. J. Ambler was reported on by Rasmus Lauritzen, Sr. He joined the church in 1893 when George Hindley was pastor. In 1898 he was married to Helden Holden and they had four children. Each of the three daughters, Marjorie Cole, Doris Cappinger, and Alice Leone Boessinger, played the organ in the church. In 1902 he was elected Sunday School Superintendent and served until 1911. The membership in those years was 370 and the attendance 194. He also served on the music committee and both he and Mrs. Ambler sang for many years in the choir.

He was elected to the Board of Deacons on Dec. 31, 1914, and served continuously until he was made Deacon Emeritus in October 1946. He was the oldest Deacon present at 81 years of age.

Stanley Woods told of the services of Ray Norris who joined the church in 1916 and was elected an usher in 1919 and was re-elected every year until 1941. His wife said he was present

LIKE HIS DADDY

When Robert Butkin, 3, went to the barbershop for a haircut, he told the barber he wanted his hair cut like his daddy's. At home, he wasn't satisfied with the barber's efforts. So, taking things into his own hands, he took the scissors and finished the job. His father, Morris Butkin, is bald.
