 How sickness as well as sin can be overcome through spiritual understanding of God, divine Principle, will be brought out at Christian Science services Sunday.  
 Keynoting the Lesson-Sermon entitled "Are Sin, Disease, and Death Real?" is the Golden Text from Psalms (103:2-4): "Bless the Lord, O my soul, and forget not all his diseases; who redeemeth thy life destruction."

In addition to passages from the King James Version of the Bible, selections will be read from "Science and Health with

Key to the Scriptures" by Mary Baker Eddy, including the following (406:1-6): "The Bible contains the recipe for all healing. The leaves of the tree were for the healing of the nations. Sin and sickness are both healed by the same Principle. The tree is typical of man's divine Principle, which is equal to every emergency, offering full salvation from sin, sickness, and death."
