Help Available For Crippled Thru Seal Sales

An intensified effort to reach every handicapped child in Nebraska will be the objective of the Nebraska Society for Crippled Children, Victor D. Smith, Omaha, state president, announced while planning the organization's program of assistance for the coming year.

Featured in the Women's News Section of the World Herald in the spirit of Easter was seven-year-old Suzette Kay Marcoe who lives on S street in South Omaha. Suzette is the daughter of Mr. and Mrs. H. C. Marcoe and a grand niece of Mr. and Mrs. Bill Spradlin of Plattsmouth.

From a state of complete immobility, Suzie has reached the point where she can get around easily with leg braces and small canes. Her progress is due largely to the generosity of citizens through the Easter Seal campaign of the Nebraska Society for Crippled Children.

More and more of the Society's county committees are appointing sub-committees whose only function is to conduct a search for children who need Easter Seal services.

"We find children every day, whose parents are surprised to find help available," Mr. Smith said. "As a result these children do not progress as well as they might." "The volunteers appointed to these special sub-committees, give much of their time to contacting handicapped children in their counties."
