### June "Can't Run Away From It"

Habit caused June Allyson to ruin a perfectly good "take" on Columbia Pictures' comedy on music, "You Can't Run Away From It," Sun. Mon. Tue., April 21, 22, and 23 at the Cass Theatre in CinemaScope with print by Technicolor. During a love scene with co-star Jack Lemmon, June suddenly began calling him Richard; his name in the picture is Peter. She was the most puzzled girl in the world when Lemmon and the rest of the crew and cast started laughing right in the middle of the film and also June's husband.

"Remember, darling?" Powell said. "Peter's the guy you're in love with here. I'm only the guy you love at home."

Charles Bleckford is costarring in "You Can Run Away From It" and featured players include Paul Gilbert, Jim Backus, Stubby Kaye, Allyn Joslyn and Henry Youngman.

Hi Neighbor!

Easter time is dress up time not only in personal appearance but in the community as well. If the majority of us took one-tenth as much pride in our civic appearance as we do in our personal appearance, the price of real estate in our community - including your own home - would be much, much higher than it is today. IGA's slogan for 1957 is "Community Builders." We hope that through carrying out such a program we may be helpful in contributing to the growth and value of our community.
