# Grade School Holds Program Tuesday Eve

Mrs. Lewis Baker Phone 182

The school auditorium was bulging at the seams Tuesday evening with relatives and friends of the kindergarten, first, second, third, fourth and fifth grade students as each class presented a part in a variety program.

The kindergarten class opened the program by showing some of their action songs and finger plays. All of the children were dressed in their Easter outfits including bonnets and high top hats. Joanie Domingo was mistress of ceremonies and Billy Saxton was master of ceremonies. Under the direction of their teacher, Mrs. Robert Shumaker, other children performed.

Mrs. J. M. Stone, the first grade teacher, had her students give a review of some of the accomplishments they have made over the past year. The welcome was given by James Nichols.

The first grade class closed their part of the program by singing the song "Playmates."

The second grade, under the supervision of Mrs. James Klvet gave a play, "Cowboy Bob," with David Lauritzen portraying the city boy Bob who was visiting the wild west for the first time. A cast of boys were responsible for explaining the ways of the west to Bob.

A round-up, a lively steer and a square dance livened the play. Adding a little comedy and color to the evening was the third grade presentation "Big Top Circus". Linda Schmaderke announced the parade which preceded the circus. Robert Wright was ticket seller for the grand occasion, with Tommy Meeske, ringmaster, introducing the great and exciting acts. In the background were cages of monkeys, Leo the Lion, Jumbo the Elephant, clowns, balloon man, Silver, tight rope walker and spectators. The grand finale of the circus was the "Dancing Dolls."

The fourth grade under the direction of Miss Kathryn Ellis and assisted by Mrs. Truman Lytle presented "Strange

Happenings at Joslyn Memorial Hall." The introduction was given by Louise Earl. The children visiting the hall danced the rhythm dance and sang "Shoo-Fly." After the children left the hall, the Colonial Men and Women stepped from their picture frames and danced the Minuet. All of the Colonial Men and Women were outfitted in colonial type dress, complete with powdered wigs.

"Ma and The Auto" directed by Mrs. Miller and acted out by the fifth grade class, closed the program for the evening. The cast was attired in old-fashioned clothing. They sang "Ma and The Auto" and using the funny side of Ma's back seat driving.

Several of the children were unable to participate during the evening, because of the measles or mumps, some coming down with them just before the presentation that evening.
