

# Blue Devils Take 4th In AK Conference

Mike "The Mighty" Lewis, Blue Devils' Shot Put star, with better than 44 feet, to take top spot in this event, and a second place in the two-mile relay was enough to put Plattsmouth high school in fourth place in the winner's circle in the Ak-Sar-Ben Conference track meet held Monday.

Blue Devil Frosh squad did better than the varsity in their section of the event, coming through with 17 points in a close finish with Auburn who took high honors with 18 points.

Plattsmouth garnered only one first and one second place in Monday's trials at Auburn. Blue Devils two-mile relay team came under the wire to capture

second place, not fast enough to top the 8:52.9 set by Bellevue to win.

## Uncle Remus Tales Are Witty and Wise

Basically the folk tales related by the old Negro philosopher, Uncle Remus, and illustrated by animated animal characters in Walt Disney's full length feature production, "Song of the South", are humorous. But they are also full of gentle wisdom for the parents and children whose dilemmas point up the drama of this live action film, a Buena Vista re-release in print by Technicolor.

It is coming, Sun., Mon., and Tues., May 5, 6, and 7 to the Cass Theatre, in Plattsmouth.

## Manley To Have Access Highway

The state highway advisory commission at Lincoln voted Monday to recommend that the state build an access road from Manley to either Nebraska 50 or No. 1 highways.

The state commission said the village of Manley is an important grain center and it now meets requirements under which the state will provide an access road.

It has been called to our attention that gremlins were at work in a recent news story concerning the County Board. Names of Ray Norris and William Nolte were transposed in a correction line making it read that "Norris left in a huff". Sorry. Truthfully, we've never seen Ray Norris in a "huff".
