## County Pastor Given Degree At Phillips

Victor O. Schwarz, pastor of Christian Churches at Weeping Water and Murray, recently received his bachelor of divinity degree at commencement exercises at Phillips University, Enid, Okla.

During his three and one-half years study in the seminary of Phillips University, Schwarz majored in the New Testament. Special emphasis was given to the thoughts of Paul by Schwarz in a thesis presented to the seminary faculty prior to graduation.

Schwarz began his study for the ministry in 1948 when he entered Manhattan Bible College. In 1950 he began preaching for the Christian Church at Weeping Water, Kans., and in 1951 served the Courtland Christian Church on a weekend basis.

The bachelor of arts degree in Bible was presented Schwarz by Manhattan Bible College in May 1953.

While studying in Enid, he served the Christian Church at Arnett, Okla.

Mr. and Mrs. Schwarz have two children, Susan and Ronnie.

## Weeping Water Doane Graduate

Forty-three seniors received their degrees Monday in the Doane College commencement at Doane, George B. Hastings, Grant, Neb., attorney, and national moderator of the Congregational Christian Churches, delivered the main address.

In the graduating class was Richard C. Gibson, of Weeping Water.

## Young Labor Sought For Detasseling

Organizing a labor force for detasseling Steckley hybrid corn will start at an earlier date this year when a sign-up day is held in Room 301 at the courthouse in Plattsmouth at 2 p. m. Wednesday, June 12.

The announcement was made by J. M. Stone, field representative of the Steckley company.

Sign-up and recruiting of boys and girls over 14 years will be conducted by the State Employment Service, Stone stated. Clarence Rankin, farm labor interviewer for the employment service will be in charge.

On the basis of last year's operations, it is expected from 400 to 600 boys and girls will be employed as the total in the various counties where hybrid seed corn is grown.

As in previous years, boys and girls will be transported to the fields in trucks provided by the company. It is estimated the detasseling campaign will get under way between July 10 and 15. If growing conditions continue normal, officials indicate.

Detasseling operations each year provide a mid-summer opportunity for numerous young workers to obtain remunerative employment. Preference is given to workers with experience. Height is an advantage in detasseling.

Girls are required to wear lace shoes for easier walking in irrigated fields.

## Familiar Figure About City Reaches His 91st Birthday

A familiar early morning figure about Main Street is Charley Hixon, and his friends will be pleased to learn he passed his 91st birthday June 2.

In an interview with Charley, he says he was born in Pickway, Ohio, June 2, 1866, at 5 o'clock in the morning. He went to Glenwood, Ia., when he was 2½ years old and later went west to farm and settled in Plattsmouth.

Mr. Hixon enjoys good health at his home, 1223 Pearl Street. Each morning about 7:30 he can be seen making his daily trip to Plattsmouth to shop and visit with other old timers about town.

## Girl Scout Troop Has Vesper Service

ELMWOOD (Special)— Mrs. Mary Ann Quellhorst, leader, and Mrs. Donna Bornemeler assistant leader, held the investment ceremonies for ten girl scouts who have completed their tenderfoot stage.

After a Flag ceremony, a candlelight was performed, and each of the ten girls presented with their membership card, and pin, as investment of Scout.

They invited their parents to be present, and as a program, Karen Backemeyer sang a solo: "Where 'Ere You Walk," and a piano solo was played by Gloria Jean Cook.

Afterwards refreshments of punch and cookies were served by the girls.

Industrial output declined sharply in April.

A three-year high is expected this summer in hog prices.
