KNORR'S 5c to \$1.00

THE PAYOFF — All during the baseball season, Jack Barnard an avid St. Louis Cardinal fan, and Orville Kimbel, an equally vocal Milwaukee supporter, argued the merits of the National League contenders off duty and during working hours. Since both work at the local Hinky Dinky Store they had good opportunity to needle each other. The argument finally resolved itself into a wager between the two men, the loser to shine the winner's shoes on Saturday Night in the store's parking lot. Here you see the payment of the wager as Barnard with a sign on his back shines Kimbel's shoes. Dozens of onlookers were present. It all goes to prove true sportsmen can be good sports.

Adjustments In Order For Blue Devils This Week

Adjustments are in order for Plattsmouth High School's football squad this week as it prepares to meet big, rugged Westside there Friday night.

With Quarterback Tom Winscot and Halfback Jim Shown lost for the season, there'll be adjustments in personnel as well as style of play, Coach Burdette Hansen says.

Winscot suffered a broken leg, Shown a shoulder separation last Friday at Auburn when the Blue Devils hit the win column, 24-7. Winscot is in traction at Methodist Hospital, Omaha, and though Shown was able to come home his shoulder is more seriously injured than first suspected. It is strapped tightly.

So, the week of practice to date has been one of change and reassignment for some Blue Devils.

First, Gary Horan, the second string quarterback who performed capably last week after Winscot's injury, will be at quarterback. Hansen thinks, with emphasis on rushing.

Then, since Winscot played halfback on defense along with Shown, two replacements are needed on the defensive unit.

Plattsmouth's two-touchdown freshman football team and the Glenwood sophomore-freshman team played to a 0-0 tie at Glenwood Monday afternoon.

Plattsmouth got its first TDs on a reverse in the first half. It was nullified because the junior Blue Devils had 12 players on the field. A player had been sent in with the call of the reverse play and the other player didn't get off the field in time.

The second TD in the 3rd quarter was scored by Don McKulsky who intercepted a pass and ran 35 yards to score. That was nullified by a clipping penalty.

Next game for the Plattsmouth frosh is here Oct. 10 at 3:45 p.m. against Westside.

Winscot Seeing World Series

Tom Winscot, Plattsmouth High's quarterback who is in Methodist Hospital, Omaha, with a broken leg, is able to see the World Series.

A baseball fan and player with big hopes for the future, perhaps in professional ball, Winscot wanted badly to see the Series. In order that he might, the Plattsmouth Rotary Club "passed the hat" at its meeting Tuesday noon.

That brought enough money to rent a TV for Winscot to watch the Series and view afterward for a week or so. There was \$15 left over, too. This was added to the Plattsmouth Fan Club's Injury Fund to aid athletes with injury expenses not covered by insurance.

City Frosh Score Twice, Tie, 0-0

Ekhnorn Player Top Platte Hitter

Ekhnorn's Virgil Gottsch led Platte Valley Baseball League hitting this summer with 444 on 20 for 48 final league figures released this week show.

Second was Bugs Redden of Ralston with 20 for 47, 426.

Top Plattsmouth hitter was Blanton with 16 for 53, 302, a 15th place sharing percentage.

Local Paratrooper Soon For Overseas

They are preparing to leave Fort Bragg on October 15th to start on their journey overseas. They will be assigned to duty in Germany to replace units that are being sent back to the States.

Jack Webb Stars As Tough Sergeant In WB's "The D.I."

Jack Webb is one of Hollywood's greatest success stories. The star of Warner Bros. "The D. I." left the screen a mere bit player and returned as a star-producer-director. He attributes his success largely to his selectivity of unusual screenfare, and the roles the stories provide him.

In "The D. I.," a Mark VII Ltd. production premiering Sun., Mon., and Tues., Oct. 6-7-8 at the Cass Theatre, Webb portrays T Sgt. Jim Moore, Marine drill instructor at Parris Island. In the film it is his job to turn out hardened, well-coordinated fighting marines after 12 weeks of training. His particular group of men at the time of the story are a problem group consisting of several uncooperative youths who threaten to destroy the sergeants enviable record. Webb reportedly handles the role in such an exciting manner that rumors for an Academy Award have already begun.

Hunters: Duck and Grouse Seasons Open This Saturday

Lincoln.—Hunters get your guns, for Saturday, Oct. 5, marks the beginning of the state's grouse, duck, coot, and jacksnipe seasons. Shooting on waterfowl gets under way and on grouse at sunrise.

Results of the Game Commission's spring breeding population surveys indicated a decline in grouse over all of their range in Nebraska. Preliminary brood observations, though, indicated improved reproduction this year.

Duckwise, indications point to a substantial increase in the number of Nebraska-reared ducks entering the Central Flyway this fall. Rains during the year improved potholes and lakes in the state, and as a result the population of breeding ducks increased significantly.
