You'd think it was our car!

We baby your car. We carefully check every little detail to make sure it's in tip-top, A-1 condition. Why, you'd almost think your car belonged to us!

There's good reason for us to be so fussy and painstaking. We want to do a better job than the "other fellow" down the street—because it's a good way to compete for your business. It's the competition between independent businessmen like us—that benefits you—the motorist.

Thanks to our American freedom, you find each oil company doing its part to bring you better and better products at lowest possible prices.

So bring your car to us for service. You can be sure it will get the kind of service we'd give our own car.
