The question of what is to become of Cass County's now-fam-Avoca. Tuesday was reelected ous section line bridge is still unanswered today, despite a Board to another three-year term as of Commissioners public hearing Wednesday at which many perpresident of the Nebraska Farm sons thought the question would be settled.

The hearing was to consider opening a mile of section line as Bureau Federation at the annual convention of the federation road.

This has been petitioned by 53 residents in the vicinity of the bridge in Commission District One about three miles south and two west of Plattsmouth.

Their petition was submitted after construction of a bridge across 4-Mile Creek (built this \*year on the unopened section

line) had come up for discus-
