Wintertime Is Also Christmastime

Wintertime can be a wonderful season in spite of occasional inconvenience of weather.

A new fallen snow is so beautiful, covering the earth like a blanket of down, glistening in the winter sun.

Nature has compensated for the rigors of winter by offering us the happiest season of the year. CHRISTMAS TIME. Busy as it is, Christmas is the time for renewing the joy of brotherhood and the love of family and friends.

To make the burdens of this busy season lighter we recommend the well-worn slogan, "do your shopping early." You can't start too soon, now for Christmas Day is just 23 days near.
