Now **SCHREINER'S** Can Offer You The Most Powerful Aid For Quick Reducing Ever Released For Public Use!

**REDUCE Without Special Diets, Hunger or Reducing "Plans"**

Federal health authorities approve P.P.A.® as safe without prescription. This remarkable drug for reducing is so incredibly effective it limits the ability of your body to produce sensations of hunger! Helps you lose weight fast without special diets, "plans", exercise or feeling of self-denial because it appeases your appetite at the same time!

It's new, entirely different, revolutionary! Not a bulk-filler, reducing candy or wafer, HUNGREX WITH P.P.A.® is the first and only type of non-prescription product that includes these words on the label:

in the treatment of obesity

So effective that it helps satisfy your appetite within minutes after you take it. So effective that once it starts to work in your body, you are as virtually protected against gnawing hunger sensations and a "runaway appetite" as it is reasonably possible to be. Thus for the first time you can really lose excess weight fast without special diets of any kind whatsoever!

Thousands Now Lose Weight Who Never Thought They Could

Imagine the thrill of overweight men and women who write day after day, some reporting remarkable weight losses up to 6 lbs. the very first week... 24 pounds in 2 weeks... up to 18½ lbs. the very first month with P.P.A. . . . and even recording weight losses of 35 to 41 lbs. without doing anything difficult, dangerous or unpleasant!

Control Of Your Hunger And Appetite Is Automatic—So You Don't Even Have To Count Up Your Calorie Intake With A Pencil

Best of all, you'll still enjoy your food, still eat luscious steaks, chops, roasts, stews and other favorites, and still your weight will come down. Because P.P.A. drastically cuts down your craving for food without affecting your enjoyment of food. And when this happens, when you cut down your calorie intake, off comes your excess fat. It's simply burned up by your body in the form of a glorious, new release of energy for you... while you grow slimmer and more attractive-looking each day!

Nothing Like It Ever Available Before For Quick Reducing Without A Prescription!

As plainly as we can state it, so that there is no possibility of confusion in your mind between Hungrex and any other product: You will not find a "plan" or diet of any kind when you open your Hungrex package, as you're used to finding in other types of non-prescription reducing products! Because only Hungrex with approved-strength P.P.A. has shown it is powerful enough to help overcome the most powerful craving a human being can long endure—HUNGER! And Hungrex with P.P.A. is the only such powerful type of reducing aid that your government has ever released as safe without prescription! No other kind of reducing product can make this statement to you.

Hungrex With P.P.A.® Works As We Say—Or Your Money Back

Naturally, individuals vary. So we say try Hungrex for 1 day, 5 days, 10 days—the full 21 days if you like. Check your weight losses as you go along. See the wonderful change in your body that takes place almost daily. Then either we've fulfilled our promise to you—either you're delighted with the way you've lost weight—either you look and feel better—you've found the secret to a safe, pleasant way to get your weight down and help keep it that way—or merely return unused portion for your money back.

How Could Anything Be Easier Than This?  
You simply take a tablet that's much kinder than an aspirin tablet before each meal... and that's all you do.

P.P.A.'s Automatic Control Of The Appetite And Hunger-Producing Centers In Your Body Lets You Enjoy What You Eat—And You Simply Want To Eat Less!
