Nehawka Girl Reports on 4-H Club Week Trip

By Sharon Kay Dodson
It was a wonderful opportunity for me to attend the 42nd annual 4-H Club Week at Lincoln June 10-14. There were more than 300 4-H'ers and five from Cass County. We all stayed at the new dormitories. Burr and Fedde on Ag Campus.
Mrs. Ellis Lacy took Gladys Nixon, Bonnie Lacy and me to Lincoln. We registered and got our rooms. That day we had a general assembly where we met the IFYE's from foreign countries or people from the United States who had been in foreign countries. I was in the Special Interest group "My College Careers," with Duane Loewenstein the leader. It was an interesting group. I learned many things about how to choose a career.
First night there was a get-acquainted party with all kinds of games and dancing. Girls toured the Home Economics Department and boys toured the Engineering Department of the Ag Campus. Main event was the banquet by the Junior Chamber of Commerce at the Lincoln Hotel. We toured Morrill Hall, Historical Building and Theater of Stars, had a barbecue Thursday night and a recreation party. Flag raising and lowering service was held every morning and night.
Last day of all we boarded a train to Omaha. Since the theme was on "Careers," we visited different business places in Omaha that interested us. I went to Mutual of Omaha and was a dinner guest there. We had supper at the Omaha Stockyards. Saturday we came home. I had a wonderful time at Club Week and I know we all had a big week.

Ken Choat Tours Europe

Ken Choat, 17-year-old son of Mr. and Mrs. Lyle Choat, former Cass County residents now of Naperville, Ill., is touring eight European countries along with 27 young people under the sponsorship of the Rev. Robert Hamill, director of the Wesley Foundation at the University of Wisconsin.
Emphasizing good will and understanding more than sight-seeing, the group will be housed largely in hotels, camps and in private homes.
The group sailed from Montreal June 17 on the USS Arosa Star, and nine days later landed at Plymouth, England. With English youths as their guides, they'll spend several days in and around London and have a discussion session with "key men of London." After crossing the English Channel they will devote three days to touring Holland.
From Hanover, Germany, they will fly to Berlin to tour the east and west sectors and to meet German youth in an actual work camp where they will assist with renovation.
The tour includes visits to interesting villages and farms and a 30-day bus tour, on which they will have personal contacts with European families, youth, educators and VIP's.
Choat was accompanied by two other Naperville students on the trip. They were taken to Montreal by his parents and brother, Larry and sister, Barbara Jean.
The traveler is the grandson of Mr. and Mrs. Parr Young of Nehawka and while living in Cass County was an active 4-H member.
