July

The month of July takes its name from Julius Caesar. It contains many historic American anniversaries — Independence Day on the 4th, the anniversary of the Battle of Gettysburg on the 1st, 2nd, and 3rd, etc.

Calvin Coolidge was born on the 4th, in 1872 at Plymouth, Vermont. The first admiral in the U. S. Navy, David G. Farragut, was born at Knoxville, Tenn., on July 5th, 1801. The Republican Party was founded July 6, 1854 at Jackson, Michigan.

John D. Rockefeller was born July 8th, 1839, John Quincy Adams, sixth U.S. President, was born July 11th, 1767, at Quincy, Massachusetts. Nathan B. Forrest was born in Marshall County, Tennessee, July 13th, 1801. And John Paul Jones was born in Scotland July 18th, 1747.

July is the month of full-bloom summer, or mid-summer. After July, it is apparent, even in hot August, that summer is running out. It is the month of vacations, holidays, swimming and outdoor pleasures, and then memories of summer and beautiful memories of summer and beautiful.

July is a month to enjoy, as well as an historic one, so enjoy it!

20 YEARS AGO

First Methodist church of this city at the fourth annual conference received the announcement that the church was to receive a \$2,000, Hammond organ, a much appreciated gift from Mr. and Mrs. Henry Pfeiffer of New York City. Mrs. Pfeiffer has been one of the largest donors to Methodism both at home and abroad — fillings for the various county offices were numerous and the following will battle it out at the August primary: County clerk, B. G. Wurl, Chas. Howard, democrats; George R. Sayles, Clarence Busche, republicans; County Assessor, W. H. Puls, democrat; County Treasurer, Carl Keil, democrat; John E. Turner, republican. Register of deeds, Lillian G. White, Erma Begley, Margaret Brendel, Peter Gradoville, democrats; Ernest G. Giles, Ray F. Becker, republicans. Sheriff, John M. Meisinger, Jarvis Lancaster, Fred J. 30 YEARS AGO

The first annual picnic of the various American Legion posts in Cass County was held at Louisville and was a great success. It was held near the river east of the traffic bridge and a fine representation from all parts of the county was present. The ladies had prepared a load of good things to eat that made a success of the affair. An attempt was made to raid the Plattsmouth bachelors lunch, but was repulsed with heavy loss. The bachelors had a roast duck and only pie on the grounds as well as many liquid refreshments and drove off all attempts to secure the duck — C. E. Ledgway, clerk of the district court decided to check the crops and accordingly spent a few days at the farm of his brother-in-law, William Kraeger, during his absence the duties of the office are carried on by the deputy — Luther Hall, Jr., former Union resident, was seriously burned at Snohomish, Wash., while filling the gas tank of his truck. The gas had splashed on his clothing and face and was suddenly ignited. It was with difficulty that he escaped from serious if not fatal burns — Mrs. John Stine, long time resident of Liberty precinct died at her home in Union.
