Take A LOOK Into The FUTURE!

What Chance Will You Have In The Space Age Without An EDUCATION ??

Start This Year ! EARN a DIPLOMA FROM PLATTSMOUTH HIGH SCHOOL

THIS MESSAGE IS DIRECTED TO EIGHTH GRADE GRADUATES, HIGH SCHOOL STUDENTS AND PARENTS IN THIS AREA WHO WANT THE BEST FOR THEIR CHILDREN

In 1900 a person who had finished the eighth grade was considered to have a pretty good education. Very few attended high school and those special few who acquired a college degree were set apart from the rest. In the next 50 years the percentage of High School graduates rose considerably as did those who attained a college degree. In just the past year the young people of this country have been called upon to take a deep, careful look into their Educational Program. The Space Age arrived in the last 12 months and with it a new challenge to the youth of America.

Today the machine has almost entirely replaced the common laborer. Today . . . Without a High School or College Education, the doors of opportunity are practically closed to the youth of today and tomorrow. You cannot afford NOT to continue your education.

All students who have not completed their high school work and those who have just finished the eighth grade are invited to complete their high school work in one of Nebraska's finest School systems.

YOUR ENTIRE FUTURE . . . YOUR LIFE'S EARNINGS, WELFARE AND SECURITY ARE CLOSELY RELATED TO THE EXTENT OF THE EDUCATION YOU OBTAIN NOW FOR YOURSELF.
