FFA, Sponsors to Minn. Camp

Nineteen members of the Platts-mouth Chapter of Future Farmers of America returned Friday from a five day trip to Minnesota. The members left by auto from here August 4 and returned August 8.

Tents provided the housing as the group camped at Lake Carlos State Park just north of Alexandria.

Included in the week's activities were boating, swimming, water skiing and much fishing. Although none of the "big ones" were caught, the catches provided good eating with enough left over for everyone to take a few home that wanted them.

Accompanying the group were Coach McKnight of Platts-mouth, Richard Steiner, formerly of the Platts-mouth High School and now teaching at Bellevue, and the chapter sponsor, Don Hansen.
