## Miss Plattsmouth Is Miss Cass County

### Jane Fauquet Crowned at County Fair

Jane Fauquet, 16, pert in a pretty party dress, Thursday night was crowned Miss Cass County of 1958 at the County Fair in Weeping Water as some 1,100 persons looked on.

She is the daughter of Mr. and Mrs. Paul Fauquet, Plattsmouth, and will be a senior at the high school here this fall.

Miss Cass County was chosen over six other entrants by a board of non-county judges and the announcement of the judges' decision was eagerly awaited since the crowning was to have taken place Wednesday night but was postponed because of threatening weather.

The decision of the judges was not an easy one, emcee W. N. Roberts of Weeping Water said prior to the announcement, made as the contestants and the 1957 Miss Cass County sat on the street platform in front of the audience.

Miss Cass County has been particularly active in music in Plattsmouth school and town affairs. She was chosen Miss Plattsmouth and sponsored by the Chamber of Commerce.

She succeeds Laurel Ann Bornemeier, Murdock, who took part in the Thur day night ceremony by pinning a corsage on each contestant and finally gracefully relinquishing her crown to Miss Fauquet.

Other contestants, each of whom was introduced to the audience by Roberts as he read off her accomplishments during her long walk down the aisle dividing the onlookers, were: Miss Weeping, Maribelle Elliott.

Miss Manley, Rosalie Massoth (Miss) Louisville, Janet Albert, Miss Murdock, Sody Smith, Miss Nehawka, Twila Jean Hicks.

Miss Avoca, Marilyn Bose, Crownbearer was Joan Domingo, 7, daughter of Mr. and Mrs. Eugene Domingo, Weeping Water.

Miss Fauquet became the 9th Miss Cass County.

Others were: 1950—Norma Ford, Nehawka, 1951—Betty Lou Jacobsen, Weeping Water, 1952—Phyllis Grunwald, Union.

1953—JoNon Albin, Plattsmouth.

1954—Susan Stone, Weeping Water.

1955—Marilyn Mendenhall, Elmwood.

1956—Yvonne Domingo, Weeping Water.

1957—Laurel Ann Bornemeier, Murdock.

Despite humid heat, the Fair area Thursday night was crowded and parking space was at a premium (and hard to find).

## Rec Baseball Champs are Yanks, Indians

The Yanks are Midget champs and the Indians Pee Wee champs of the Plattsmouth summer recreation baseball leagues.

Those two teams won five-inning final playoff games Thursday night at the high school athletic field.

Scores were: Midgets — Yankees 4, Braves 2; Pee Wees — Indians 7, Cardinals 2.

The Yankees scored three runs without a hit in the last of the fourth to get their victory margin over the Braves. The Braves outthrew the champs 5-1 but walks in the crucial inning and alert baserunning by the Yanks did the damage.

The Indians became Pee Wee champs by scoring 6 runs in the last of the fifth. The Cards had gone ahead 2-1 with one in the first half of the inning.

Box scores of the championship games appear inside.

With the end of the recreation season here, Mr. and Mrs. James Rosenquist, directors, today said: "We would like to thank the Chamber of Commerce and all the people who worked with the Chamber to make our program a success."

"The managers of the baseball teams and the people who inspired the players did a lot for the program. We need a lot more people like that to make the program a success in future."

Rosenquist suggested night games under lights would be more attractive since more people could attend.

## Attendance Boundaries Listed As School Starts Sept. 2 Nears

School days are near. Supt. T. I. Friest today listed the tentative, flexible school boundaries which will be in effect when school starts Sept. 2, the day after Labor Day, for the benefit of those who might not be familiar with them.

It has become necessary to create zones or boundary lines for our Elementary Schools. Factors determining these zones are based upon safety of small children by eliminating crossing heavy traffic areas, upon equalizing enrollments in all of the buildings and upon the natural terrain of the City of Plattsmouth.

## Tractors Damaged In Farm Fire Near Louisville Sunday

The Plattsmouth fire department were called Sunday evening to the farm of Forest Engelkemeier some three miles southeast of Louisville, where an implement shed and two tractors were afire.

On their arrival they were joined by the Louisville department in fighting the fire and saved the tool shed but the tractors were badly damaged in the fire.

It is reported that the fire was occasioned when the tractors were being replenished with gas, catching afire and seriously burning Robert Engelkemeier, a son of Forest, who was working with the tractors.

The Louisville department had charge of the fire and the amount of the loss is not known here.

Robert Engelkemeier was brought to Plattsmouth where his injuries were treated by R. J. Dietz. While very painful the injuries were not dangerous.

The injured young man is a grandson of Henry Engelkemeier of this city.

## No Specific Rate Increase Asked by Telephone Company

The Lincoln Telephone and Telegraph Co. has applied for a rate increase but not for any specific amount. A Journal headline Thursday mistakenly mentioned "11%" as the asking.

The company applied to the Railway Commission for an increase to get a "fair rate of return on its investment."

It said "rising costs of doing business had created an imperative need for more revenue."

Mr. and Mrs. Edgar Newton and daughter, Jeanne, James Rhea of Lincoln, Miss Lyda Lon Nieman of Hulet, Wyo., were supper guests Friday evening at the Paul Long home. Miss Nieman is to be one of the participants in Jeanne's wedding August 23.
