CHARITIES
Nebraska is the only state in which racing dollars come back to you through agricultural, educational and charitable programs. Nebraska law does not permit racing for private profit.
The affairs of Ak-Sar-Ben are administered by a Board of 12 Governors. They do not receive one cent of compensation and they spend thousands of dollars of their own money each year to further the program. They are assisted by 12 Councillors, who likewise receive no pay for this public service.
The revenue received from thoroughbred racing supports 4-H Clubs and FFA. Under the dollar-matching plan, Ak-Sar-Ben's racing dollars help improve buildings and grounds at County Fairs in Nebraska. Racing dollars finance more than 200 scholarships and fellowships in Nebraska universities and colleges. They help stage the annual Ak-Sar-Ben Live Stock Show and the world's largest 4-H Beef Show and help pay for maintenance and improvement of the facilities used by our outstate exhibitors. They help charity patients in hospitals; they help communities struck by tornado, flood, or other disaster and help provide rescue squad and other life saving equipment; they support experimental stations in their projects to improve the state's important cattle business.
This is where Ak-Sar-Ben's racing dollar goes; it goes to benefit you and your state.
