Longest Time; Shortest Life

The longest time interval ever measured is 1,500,000,000,000,000,000 years. Do not ask us how it was done, but the scientists tell us that the substance tellurium, once considered stable, is radioactive, shedding half its atoms in that many years.

Not content with this accomplishment, the scientists also advise that the life-span of a neutral meson lasts just one-tenth-trillionth of a second. Once again, we say, don't ask us how it was done.

Readers should not get the idea, however, that these things were not done. Just because some of us do not understand the processes involved does not mean that hard-working and intelligent men of science do not know what they are doing.

Down Memory Lane

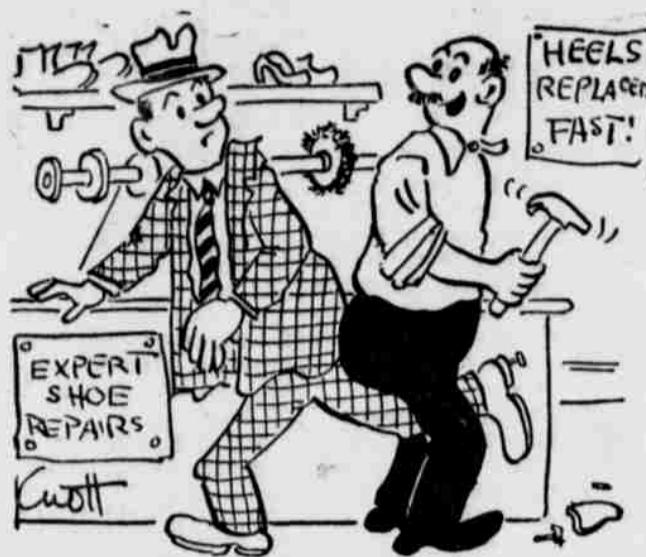

20 YEARS AGO

Miss Gertrude Brink, daughter of Mr. and Mrs. W. N. Brink and Bronson H. Timm, son of Mr. and Mrs. Henry Timm, quietly slipped away to Papillion where they were married. The wedding was a surprise to the two families as well as the friends. Miss Beatrice Arn and Mitchell Stewart were witnesses for the wedding. They left for Kansas City, Mo., for a short honeymoon — Stephen M. Davis, son of Mr. and Mrs. Searl S. Davis, received membership in three honor societies at Kemper Military Academy at Booneville, Mo. — Rex Young, auctioneer, reports that farm sales in this locality are good and prices higher. A team at the Sam Martin farm sale brought \$300. The Marion Stone sale at Nehawka was one of the largest sales over 1,000 attending, cows at this sale topped at \$96 and bred gilts at \$31.50. The Harold Spangler sale at Louisville brought a top

of \$107 for cows — Don McBride of this city won the 112 pound title in the Council Bluffs boxing tourney — First place in the second annual Western Lamb Show for 4-H club members at Omaha was won by Lyman Rehmeier of Weeping Water, third place went to Stuart Mills of Murdock, Merritt Pollard of Nehawka was also awarded a prize — The wedding of Miss Thyra Johnson of Plattsmouth and James Quinton Palmer of Lincoln took place at the First Presbyterian church at Kansas City, Mo. The groom is a son of Mr. and Mrs. James M. Palmer, prominent residents of Nehawka. The bride graduated from the Plattsmouth high school in 1927 and the University of Nebraska. Mr. Palmer graduated from the Nehawka high school and the University of Nebraska. He is employed by the Iowa-Nebraska Light & Power Co. The bride while a resident here made her home with the Louis Keil family.

30 YEARS AGO

Ed Steppat, local war veteran, who has been incapacitated since his service in the army in 1917-18, has received an award on his claim for injuries received in service. The award is \$125 a month for the rest of his life and \$1,200 in back pay to cover from the time of the filing of the claim. This claim has been pressed by A. H. Duxbury, local Legion service officer, to a successful finish — The vault in the office of the superintendent of schools at the high school building was entered and some \$150 in cash as well as a check for \$39 taken. The parties made their entrance to the office from the door in the hall after gaining entrance to the building through a window in the music room on the ground floor. It was thought that the robbery was carried out by someone familiar with the building — James Hoschar of near Murray while cutting wood in the timber near the L. C. Hoschar home, suffered injury when some rabbit hunter shot in the timber and instead of the rabbit two of the shot struck James in the face. Both eyes were blacked but no serious injury caused to the eyes.

"I used to be a blacksmith."

LOUISVILLE NEWS

Mrs. Ralph Wildrick — Phone 2511
