Famous for its Flavor since 1859

Goetz COUNTRY CLUB Pilsener Beer

Known even in the days of the Oregon Trail for its robust character and hearty flavor, Country Club is one of the traditions of the Old West. There's the full honest feel of the west in its taste, the bigness of the west in its gift of cool refreshment. Why don't you try it?

It was in the era of the covered wagon and the Oregon Trail that Michael Karl Goetz built his brewery at the then frontier town of St. Joseph, Missouri. This famous old brewery has been in continuous production ever since. And it is still owned and operated by the family of the founder.
