WHO is Your PHARMACIST?

Often a doctor hesitates before writing a prescription to ask, "Who is your pharmacist?" He wants to know because either it is a difficult prescription to prepare, or it is one calling for a new or rare drug that only a truly professional pharmacy would have in readiness.

When you name us as your pharmacist, the doctor knows that he can write the prescription with full confidence in our ability to dispense the medicine promptly and at reasonable cost.

Auto Parade Fall Festival at Plattsmouth

ANYONE YOU KNOW? — Weren't we grand, fancy parades and all in our bedecked car in the Auto Parade of the Fall Festival here 43 years ago. There were no identifications readily brought to mind. Who are these happy revelers who evidently spent so much time getting their touring car ready? — (Photo by Olson, print by Bob Faris).
