Age Limit for Junior Baseball Here Spelled Out

The age limit for the Plattsmouth Chamber of Commerce Junior baseball team is as follows: boys are eligible who shall not have reached their 18th birthday by Sept. 1.

Assistant manager Clark Finney said there evidently was some misunderstanding about the age limit, previously stated as 13 to 17.

Tryouts for the team will be held again Thursday at 6 p.m. east of the Burlington tracks. There'll also be workouts there nightly at 6, Finney said.

The first game will probably be played about June 6.

One year during World War II, we were unable to get help and again had to have a cleanup campaign.

For several years, we have been carrying on under the leadership of Mrs. Nellie Spangler and Mrs. John Valley and many more improvements have been made under the guidance of these ladies.

In 1957, the University Addition was landscaped. The committee in charge was Mrs. J. B. Cook, Mrs. Henry Hild and Mrs. Guy Wiles. Many men of the community helped set the shrubs. The same year, the VFW and Auxiliary placed a flag pole on our memorial plot. It was dedicated on Memorial Day, 1957.

We have two ornamental benches, a bird bath and urn placed in memory of Mrs. Zella Leonard.

For several years, a memorial entrance had been the goal. We had a memorial Fund started so it was decided now was the time.

In 1958, a committee was appointed to look after this project. The committee was Mrs. Guy Wiles, chairman, Mrs. Myron Wiles and Mrs. Herman Tiekotter.

With our small memorial fund and contributions as memorials we have been able to complete our project. A wrought iron gate and large pillars with granite name plates have been erected. Later we will have it landscaped.

Of interest is the fact that all except two of our various officers of the Cemetery Auxiliary and committees are third and fourth generation of deceased members with the exception of Mrs. J. B. Cook whose husband and Royal Smith whose wife are third generation of our pioneers.
