

Large Crowd Attends Alumni Banquet at Weeping Water

WEeping Water (Special)—A large crowd attended the 68th annual Weeping Water High School Alumni Banquet and dance May 23 in the Weeping Water Agricultural Auditorium.

Toastmaster for the evening was Rodney Knaup. Following the invocation by Rev. I.C.G. Campbell, the banquet was served by the girls in the junior class. The meal was prepared by the Ruth Circle of the Methodist Church.

Following the meal a welcome and introduction of the toastmaster for the evening was given by the president of the Alumni Association, Leo Kirchoff. The toastmaster in turn introduced Supt. Arthur F. Thomson who introduced the members of the 1959 graduating class.

The president of the Association welcomed the senior class which was followed by a response by Judy Domingo, president of the senior class.

Two songs were played and sung by Larry Hansen and James Terry followed with a toast from the 10-year class of 1949 by Jerry Stone. A toast was also given by Dr. Raymond Pool from the class of 1903.

A dance was given by four couples from the sophomore class.

Robert Domingo, vice president of the Association, read the roll call by classes which showed Carl Day, from the class of 1892, was the oldest member present and is believed to be the oldest alumni alive.

Miss Mildred Hart has attended the banquets for 64 years. Two members of the 50-year class of 1909 were present. Miss

Baptist Mission Sets Bible School For June 8-19

The Plattsmouth Baptist Mission of the First Baptist church of Bellevue, meeting at the Lions Community Hall at 345½ Main, will hold a vacation Bible School June 8 through 19 for children aged 3 through 16. The school will begin at 8:30 a.m.

Bible study will be the primary emphasis. Other activities including worship, character stories, mission study, recreation and handwork have been planned. Refreshments will be served each day. This varied program seeks to meet the spiritual, mental and physical need of the children while they are on vacation from school, one of the planning committee said.

Begun in 1898 in New York City, the vacation Bible school program has been adopted and used widely by many denominations. In 1958, Southern Baptist reported 29,168 schools with 2,908,157 children enrolled.

The vacation Bible school to be held by the Plattsmouth Baptist Mission is the first such school sponsored by them.

Mrs. M. H. Fleming is principal. Transportation will be furnished by calling Mrs. Fleming at 3168.

MEMO TO ALL FAMILIES IN THE PLATTSMOUTH AREA

Today, your local Gamble store joins 2200 other Gamble stores across the country in launching our 35-Trainload Royal Deluxe Food Freezer Purchase—a merchandising milestone of such importance that I am taking this unusual means of telling you about it.

For some time we have wanted to make available to our friends and customers a really great food freezer value. We set the wheels in motion months ago designing the Royal Deluxe 15 cubic foot freezer. Despite its low price, it has all the deluxe features and is not a stripped down economy freezer—not a discontinued or old model. It is manufactured by the world's largest freezer producer, using new dies and top quality materials supplied by famous companies like General Electric, Dupont and U. S. Steel. In fact, we compared it side by side with six top brand freezers selling at as much as \$120 more. Feature by feature, it is equal or superior to any of them.

Very likely, you are wondering "how can Gambles sell the Royal Deluxe for so much less?" Here are some of the factors that make it possible:

- Tremendous buying power. It just couldn't be done on an ordinary purchase of 100—or even 1,000—units. We ordered 35 trainloads (each train 20 to 25 cars long) of one model. Consequently, our manufacturer could make huge savings in production costs.
- Lowered distribution costs. We are eliminating about 30% of our normal expense in bringing this freezer to you. We cut out warehousing costs, because these freezers are shipped from the factory direct. We are sending them out in carloads to your town or near your town. In fact, most customers will take delivery direct from the freight car, eliminating expense of delivery, store handling, uncrating and other overhead, such as inventory insurance.

Now, here's the big news you have been waiting for. As a result of tremendous buying power and lowered distribution costs, we are offering the Royal Deluxe 15 cubic foot freezer at the unprecedented low price of \$199.95 during this 35-Trainload Event. During our 35 years in merchandising, we have never seen an appliance value to equal it. Remember, you could pay as high as \$319.95 and still not get all the fine features of this freezer.

When we planned this great event, I was determined that despite the low price, we would offer you our regular liberal credit terms of only \$5 down. And our stores will take anything with resale value that you may wish to use in trade. An item in your home that you no longer have use for and wish to sell, may well serve as the down payment.

You'll love the freezer way of living. It saves time and work for mother, makes fewer shopping trips necessary, cuts food bills, and permits the whole family to enjoy a greater variety of tastier, more healthful foods all year around. Certainly, there is no other item of household equipment that pays for itself so quickly.

May I ask you to do one thing? Take your family down to the Gamble store this week and examine the Royal Deluxe freezer. Compare our \$199.95 price, and compare quality with other freezers on the market. The facts are there for all to see. Only after you examine them for yourself will you realize what a tremendous opportunity for saving Gambles are offering you.

Thank you for your interest.
