## CURE FOR SHINERS

Baltimore - A local pharmacist is stocking leeches these days. M. L. Cooper said there is a demand for the worms, at \$1.50 each.

People with black eyes buy them. They contend one leech will drain the coagulated blood from one black eye.

"They don't cause infection," Cooper said, "and they're cheaper than beefsteak."

Your Rexall Pharmacist works hand-in-hand with the doctors in this community. We maintain fresh stocks and latest information on new drug discoveries. Our prescription department is dedicated to the health and welfare of this community.
