

NEWS FROM EAGLE

Mrs. John Fischer — Phone 7304

Mr. and Mrs. Ralph Ransford and Mr. and Mrs. Chas. Scattergood left Sunday morning for Yellowstone Park where they will meet Mr. Ransford's brother, Mr. and Mrs. Art Ransford of California and visit for a few days.

Bobby Trunkenboiz, younger son of Mr. and Mrs. Kenneth Trunkenboiz, suffered a fractured bone in the arch of his foot while playing baseball Thursday evening. At first, it was not thought to be much of an injury and by Friday afternoon became so painful medical attention was necessary. His leg is in a cast for several days and he is getting about on crutches.

Mr. and Mrs. Richard West and two daughters of Granite City, Ill., returned home last Monday morning after enjoying a few days visiting his mother, Mrs. Laura West. On Saturday evening they were dinner guests at the home of his uncle, Mr. and Mrs. Harry West at Lincoln.

Mrs. Dean Lanning and three daughters of Clifton, N.J., have been visiting at the home of Rev. Lanning's parents, Mr. and Mrs. Orin Lanning and with her parents, Mr. and Mrs. George Speidell at Lincoln.

Mr. and Mrs. Fred Schweigert, Mr. and Mrs. Claude Gerhard attended the University of Nebraska commencement exercises at Lincoln last Friday evening. Mr. Gerhard's son-in-law, Norman McIntosh received his degree and will be music instructor at Polk this fall.

Mrs. Keith Trumble underwent an appendectomy last Friday evening at Bryan Memorial Hospital. She is recovering satisfactorily and hoped to be able to return home the last of the week.

Mrs. Eldee McKay of Palmyra returned from the hospital last Friday after surgery. She is convalescing at the home of her father, Edward Gerhard at Eagle.

Edward Gerhard sprained his ankles last Friday and suffered considerable pain for a couple of days. No bones were broken and he is much more comfortable at this writing. His daughter, Cedella, Mrs. Russell Colbert of Louisville, Ky., has been visiting at his home and planned to return home Tuesday of this week, hoping her father able to visit with her for a visit of several weeks. They planned to fly.

Supt. and Mrs. Paul Embree and family and guests, Mr. and Mrs. Leonard Blinde of Burwell, attended the University of Nebraska commencement exercises last Friday evening. Mr. Blinde and Mrs. Embree's brother, John Dietz of Broken Bow, were graduates. The latter has accepted a position in Broken Bow High School for the next term.

Mmes. Grace Coppel of Alvo, Emily Gonzales and Ruth Manning of Elmwood spent last Friday at the home of Mrs. Anna Pifer.

Mrs. Evelyn Ransford was a University of Nebraska graduate Friday evening. Mrs. Ransford has been an elementary instructor in the Eagle Schools, also at Palmyra, Elmwood and Murdock for several years. She

has accepted a position in the Lincoln Schools for this fall. Larry Fischer of Aurora, Colo., has been spending his summer vacation at the home of his grandparents, Mr. and Mrs. H. D. Fischer. He is the son of Mr. and Mrs. Earle Fischer.

Mrs. Dan Lazier of California planned to arrive at her parents' home, the H. D. Fischers', by plane Sunday for several days visiting. During her husband's vacation, he also visited at the H. D. Fischer home and all took a fishing trip to Minnesota. He returned home via So. Dakota where he visited his sister and family.

\$13,886 for SAC Memorial Window

HQ. SAC — With the bulk of the funds in, donations for the SAC Memorial Window had by July 28 reached a total of \$13,886.10.

Final total will be announced shortly, said Chaplain Col. George S. Wilson, SAC staff chaplain.

He said a preliminary meeting with state-wide numbered air forces and SAC headquarters representatives was held here in mid-July for selection of the design.

The representatives reviewed the proposals from five stained glass studios, the chaplain said, and final selection of design will be announced about mid-August.

The memorial window will be installed in the SAC chapel here at Offutt AFB in the spring of 1960. It will be in memory of SAC crew members who gave their lives to help maintain peace in the world.

State's 'Top Crop' Feature Of State Fair

LINCOLN (Special) — Nebraska's most important "crop," its young people, will again occupy a prominent place in the spotlight at the 1959 Nebraska State Fair Sept. 5-11 inclusive, according to Fair Board Secretary Edwin Schultz.

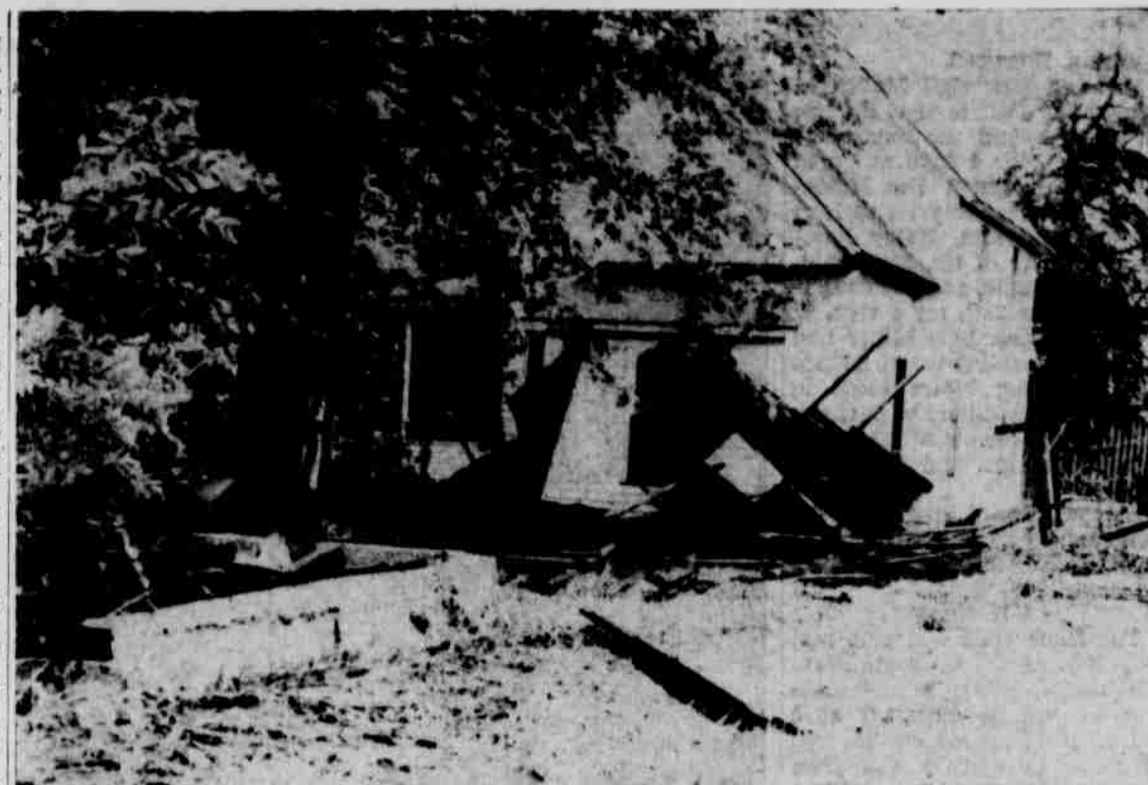

Thousands of them will participate in the 4-H Club and Future Farmers of America Shows, the only such shows in Nebraska that are complete and state-wide in scope.

Indicative of the two shows' importance is the fact that \$17,500 in cash premium money — more than 20 per cent of the 1959 Fair's total premium money — will be offered.

The 4-H Clubbers will compete in every phase of their regular club activity, ranging from baby-sitting to entomology, from clothing to livestock.

The Future Farmers of America will compete in six general classes. In addition, they will again sponsor the Children's Barnyard, a display of the mother and young of every type of domestic animal.

Hugh Gaitskill, leader of the British Labor party: "We should seek to negotiate an agreement between all except the two major nuclear powers — America and Russia — neither to produce nor possess nuclear weapons of their own."

SHED DEMOLISHED — A shed on a place owned by Myron Wiles at Mynard was wrecked Friday. Mrs. Albert Taylor who lives across the way said she was washing clothes at the time the storm hit and headed for the basement. She knew nothing about the damage at the unattended place until hours later.

34 Nebraska Counties in U.S. Top 600 in Farming

LINCOLN — Nebraska's role in the agriculture picture nationwide was brought into focus by a report on a survey of a sales management magazine which found 34 of 93 counties in Nebraska ranked in the top 600 in the nation in the value of farm products sold last year.

The magazine estimated that farm products sold in Nebraska in 1958 totaled \$1,304,464,000. This is more than \$278,200,000 over the 1957 estimate.

Dawson and Scotts Bluff counties, in the rich Platte River valleys, and Cuming County, in the equally rich Elkhorn valley, ranked in the top 100.

Dawson County was 47th with an estimated \$52,483,000 in agriculture products sold. Cuming County was 62nd with \$46,274,000 and Scotts Bluff County was ranked 78th with \$39,484,000.

The other Nebraska counties and their rank in the nation's top 600: Douglas 137, Dodge 181, Cedar 227, Custer 249, Wayne 263, Gage 275, Burt 285, Hall 312, Saunders 336, Lancaster 339, Knox 353, Stanton 383, Platt 392, Hamilton 398, York 407, Cherry 453, Seward 455, Richardson 463, Lincoln 477, Otoe 479, Washington 491, Cheyenne 498, Antelope 507, Fillmore 515, Butler 537, Madison 552, Merrick 561, Phelps 573, Dixon 590, Sarpy 592, Holt 593.

Later in the year, Board Secretary Albin Larson said, the board will ask for bids on a student union at Peru, a student and women's dormitories at Kearney.

All of the buildings will be financed by revenue bonds. The Peru construction cost estimate is \$731,800 while the Kearney projects will cost an estimated \$2,073,000 and the Chadron construction costs are estimated at \$1,230,000.

The state is buying a new \$100,000 twin-engine Bonanza Beach airplane for the use of all state agencies.

The plane will replace a 1957 twin-engine Bonanza owned by the State Aeronautics Department. That plane currently needs major repairs.

Edwards estimated there are between 750,000 and 800,000 licenses on file in the Capitol. He said about 45,000 to 50,000 new ones are issued each year and about the same number are cancelled each year because former holders have left the state, died or have stopped driving.

Regular licenses will be renewed for a two-year period while probationary licenses — those issued to all drivers 19 years old and under — will be good for one year.

Edwards estimated there are between 750,000 and 800,000 licenses on file in the Capitol. He said about 45,000 to 50,000 new ones are issued each year and about the same number are cancelled each year because former holders have left the state, died or have stopped driving.

Under the safe driver insurance plan the insurance premium will depend upon the number of points a driver has, State Insurance Director William Grubbs said.

One point is assigned for each accident and for each conviction of a chargeable moving traffic violation, except for five serious offenses for which either three or five points are charged.

While there are no points for two years, premiums will be cut 20 per cent. One point earns a 10 per cent discount and two points means the driver will pay the basic rate for the policy.

For three points, 20 per cent is added to the premium and with four points 40 per cent is added. Five points will add 70 per cent and six or more points will mean that insurance costs will be 100 per cent more.

Oppose Resignation
State Tax Commissioner Fred Herrington, who is expected to resign within the next few months, said his mail is running 25 to one urging him to stay in his office.

Herrington receives \$10,000 a

Mr. and Mrs. Ed Boehm of Avoca announce the engagement of their daughter, Gwen to Lauren Haveman, son of Mr. and Mrs. Ernest Haveman. Avoca, Miss Boehm is a 1959 graduate of Avoca High School and Mr. Haveman is a 1958 grad. They announced no wedding date.

John Mueller was rushed to Bryan Memorial Hospital Tuesday by ambulance. He was released Saturday.

HEAT when it is COLD COOL when it is HOT

GAS Air Conditioning does both from one unit and one fuel

It stands to reason that cooling and heating your home with one system is more efficient... more dependable... more economical than with an add-on unit. Folks who are planning a new home or need to replace their present heating system should consider these facts and plan for one central Gas Air Conditioning system.

Ask a Gas Air Conditioning specialist to show you a completed installation. You'll see why it's more practical to install an all-year GAS Air Conditioner.

THE GAS COMPANY CAN MAKE YOUR INSTALLATION PROMPTLY... SO CHOOSE WISELY... CHOOSE GAS.

Only GAS does so much... yet costs so little.
