## THE PROFESSOR

It's not so many years since I played in the Friday Afternoon String Quartet at Professor Johnson's house. I'm the one by the bookshelves, with the violin.

During those sessions, I sometimes wished I were outdoors kicking a football around. Yet if the Professor had told me to go, I would have been disappointed.

Even as a kid, I realized what a good and kind man Mr. Johnson was. We used to see him in Church every Sunday—I don't think he ever missed—and he did so many fine things. When he died, our minister said that he had been truly humble, and therefore truly great.

Our minister is a wonderful man, too. I should know—I've been going to his church all my life . . . Our church!

These then have been the three great influences in my life—the professor, our minister, and my parents. They have placed my feet on the path I hope to follow always.

Now the rest of the way, with God's help, is up to me.

**THE CHURCH FOR ALL . . . ALL FOR THE CHURCH**

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

Tuesday	Ephesians	6	4-12
