## Plattsmouth, Omaha Ryan Play Here Tuesday Nite

Plattsmouth High, its season's basketball record tarnished by losses to Fairbury, Glenwood and Auburn after an opening win over Tecumseh, begins the New Year with a meeting with Bishop Ryan of Omaha here Tuesday night.

The game is at 8 p.m. The Reserve squads of the two schools play at 6:30.

Then, Friday, the Blue Devils play at Pawnee City.

The game Tuesday is only the second home game of the season, following three straight road dates.

Plattsmouth in four games has scored 176 points, an average of 176, to 220, an average of 55, for its opponents.

Individually, Albert Dasher

is leading the Blue Devils with 69 points, an average of 17.2. He thus has scored almost 40 per cent of the team's four-game total.

Jim Shown is next with 47 points for an average of 11.7.

Roger Neell has 25 points, Jim Stewart 24 and Larry Marler 7 among the other regulars.

The team has made 44 out of 96 free throws, not quite 46 per cent. The team has committed 58 fouls, an average of 14-plus a game.

## USAF Approves Lightweight Blue

HQ. SAC — A new lightweight summer blue uniform has been approved by Headquarters USAF.

Adoption of the uniform will be gradual, beginning on an optional basis on May 1, 1961.

It will not become a prescribed item for officers until the summer of 1962. For airmen, the date is May 1, 1963.

Although USAF's message described the uniform as "tropical worsted," the material selection is not final, according to later reports.

The addition of the new uniform to the USAF wardrobe will not affect the status of the cotton tan, shade 505 summer service uniform as a prescribed item for officers and airmen.

## 4th Antelope Transplant Done

ALLIANCE — The fourth Sand Hills antelope transplant of the year has been successfully carried off reports the Nebraska Game Commission. The release of 13 animals was made on the Ryan Brothers ranch, northwest of Halsey.

The 13 supplement 40 pronghorns set free on the ranch earlier in December, and were obtained from the same source — the Duane Wildy ranch 25 miles north of Alliance. To date, 152 antelope have been taken from the ranch leaving about a dozen in the area, and also approximately 40 which grew suspicious of the trap and moved into other country.

The transplant program of the Game Commission is an attempt, in its third year, to

repopulate the Sand Hills with pronghorns. Antelope once roamed the area in profusion and were a ready food supply for settlers. Those released previously adapted well to the area and have reproduced successfully. This winter a total of 137 animals have been released to date; during the previous two years, 136 were set free.

The latest release contained eight females and five males. Previous releases this winter included 45 on the Mercer ranch northwest of Thedford; 40 on the Ryan Brothers ranch; 45 on the Tom McMillan ranch northeast of Anselmo.

## NOTICE to TAXPAYERS

The 1960 Nebraska Assessment date will be January 1, in compliance with 1959 Legislative Bill No. 68.

All assessment schedules must be in the County Assessor's Office not later than March 1, in order to avoid the penalty.

The 1959 Legislative Bill No. 47 requires all persons between the ages of 21 and 60 to pay the Head Tax of \$3.50, unless specifically exempt by law.

In regards to the grain tax passed by the 1959 Legislature, (Bill No. 704), a tenant is responsible for reporting all grain produced on land that he operates. The landlord does NOT report the grain, unless he is active in the production. The landlord, however, is liable for tax on his percentage of production.

All persons, including business men, will report to one of the following locations:

## Omaha Market Hog Show Is Set Feb. 6

OMAHA — The second annual Omaha Market Hog Show will be held at Omaha Stock Yards Saturday, Feb. 6, 1960. Announcement of the event was made by R. E. Cunningham, secretary of the Omaha Live Stock Exchange, who again is serving as chairman of the show committee.

Aim of the event is to encourage production of better meat-type hogs, and, in turn, expand consumer demand for pork and pork products.

Exhibitors may enter a truckload of 10 Fall-farrowed barrows and gilts (not more than five gilts), in a gross weight range of 1,900 to 2,400 pounds. Out of that 10-head lot may designate one barrow for separate individual competition. In individual competition there'll be two weight classes, 190 to 215 pounds and 216 to 240 pounds. Individual lightweight and heavy weight live hog competition and for the carcass show.
