Planning on Opening of Missouri River Traffic In April

An encouraging note despite the below zero temperatures, is the fact that representatives of the Sioux City-New Orleans Barge lines have stated that barges destined for Missouri river ports, will be available for loading March 1 at Pittsburg and New Orleans.

The navigation season will open April 1. The first tow is expected to arrive at Kansas City by April 4th and Omaha April 7th.

Rotarians Hear Of 4-H Trip

The Rotary Club Tuesday noon heard about his trip to the 4-H Club Congress in Chicago from Charles Stoehr of Plattsmouth, a high school senior.

Stoehr attended the Congress as a state winner in swine projects. Three of 29 4-H'ers from Nebraska winning trips to the Congress were from Cass County.

Stoehr described events and sightseeing trips during the Congress.

He was introduced by Ralph Wehrlein, program chairman for the day who also showed a series of slides sent by Jan deZwart of Sloodorp, The Netherlands.

DeZwart was here as an International Youth Exchangee last year, spent several weeks with Cass County families, including the Wehrleins, and spoke at a Rotary Club Meeting.

The slides showed the 80 acre farm of the deZwart family and surrounding country.

High school Rotarians at the meeting were junior Bill Faris of Murray and senior Larry Marier of Plattsmouth.

Asteroids are baby planets. One theory holds that asteroids are fragments of a missing 10th planet which broke up, leaving a wide gap between Mars and Jupiter. An asteroid discovered in 1951 was named Geographis in honor of the National Geographic Society which sponsored the monumental Sky Atlas.

Geographis is a flying rock about one mile in diameter.
