**Plentiful Foods**  
On the monthly USDA list of plentiful foods for February are pork, oranges, orange products, cranberry products, broiler fryers, peanuts and peanut products, sweet potatoes, carrots, grapefruit, lard, cabbage, eggs, raisins and onions.

Lard is still tops when it comes to turning out flaky pastry and will help cut cost of a traditional Cherry pie, or any other pastry.

If you're looking for pastry suggestions, here's one for cherry dumplings that should go over big.

Place one can red sour cherries and juice with one-half cup sugar in a covered sauce pan, bring to simmering point. Take 2 cups of flour and sift, measure, and sift again with 4 teaspoons of baking powder and one teaspoon salt, put into this mixture 1/4 cup lard until the mixture has a fine even crumb. Now add another 3/4 cup of sugar and 3/4 cup milk to make a soft dough. Drop by tablespoons over the cherry sauce. Cover and steam 25 minutes. Serve hot or cold with cream. You'll have enough dumplings to serve six.
