There has been considerable interest expressed in collecting and compiling material regarding the founding and history of Louisville and its people. Many of the older residents, who could have contributed to the interest of the members of their families have old books, records or stories that have been handed down which they would be willing to share. Anyone having any material of any kind concerning Louisville, its founding, businesses, churches, schools, and present, would you please contact Mrs. Doris Hirsch, phone 3461, or at the City Library? If you think this is a worthwhile project, will you help with any information or material you have? Let's have a history of Louisville.
