Wool Marketing Year Will End On March 31
Chairman Ivan G. Althouse of the Cass Agricultural Stabilization and conservation committee today reminded wool growers that the marketing year for purposes of the 1959 wool program will end March 31.

The wool program is conducted under the national wool act of 1954. Payments under the 1959 program will be made this summer when payment rates are determined. On the basis of the national average price received by producers for shorn wool during the 1959 marketing year.

For a completed sale, Althouse said, "title must have passed to the buyer, the wool must have been delivered to the buyer (either physically or through documents), and the last of the factors (price per pound, weight, yield, etc.) needed to determine the total purchase price must be available. If any condition concerning the sale is not settled by March 31, 1960, the sale will not be considered as complete."

Applications for payment under the 1959 program must be filed with the Cass County ASC Office not later than April 30, 1960.
