This 'n That in Home Ec

Although automatic clothes dryers proved invaluable during wet winter months, homemakers can get the best service from

correct use the year round. Don't settle for yellowed and wrinkled clothes and long hours of operation. If these are your complaints, check your laundry

procedure. Yellowing of clothes in an automatic dryer may be the result of improper rinsing. Synethetic detergents and soap remaining in the clothes after washing will turn white articles

Be careful not to put too heavy a load of clothes in your dryer. Overloading increases und caus-

es clothes to wrinkle When the dryer turns off. clothes should be removed promptly to prevent wrinkles and uses more fuel than necessary. Martha West, County
