HORMEL HAM BAKED AND GLAZED  
Hormel Dairy Brand Ham, the traditional Easter favorite. TO BAKE—Whole Ham—Place ham, fat side up, on a wire rack in a shallow baking pan, do not cover. With oven preheated at 325°, cook Hormel Dairy Ham 16-18 minutes to the pound. (If a meat thermometer is used, heat to 145° F. internal temperature.) One-half hour before ham has finished baking, score top fat into diamond shapes, stud with cloves and glaze.
