The Sears-Roebuck Foundation has increased the value of scholarships which it awards to university students in agriculture and home economics. Formerly \$200 each, while one sophomore award was for \$250, Dean Lambert said.

Under the Sears-Roebuck Foundation's Land Grant College scholarship program, the University will receive grants of \$5,400 for agriculture and \$1,200 for home economics for the 1960-61 school year, he continued. The latter grant will provide for four freshman scholarships of \$300 each in home economics. Names of these scholarship recipients will be announced at a later date.

'Witnesses' To Assemble at York

Jehovah's Witnesses will hold their semi-annual circuit assembly at the York Civic Auditorium, April 29, 30 and May 1.

Francis Uhe, presiding minister of the local group, said that 12 ministers from the Plattsmouth area will attend the three day educational meeting. Attendance is expected to exceed 1,200 as ministers of Jehovah's Witnesses will be arriving from the 22 congregations in central and eastern Nebraska.

"The theme of the convention, Mr. Uhe said, is 'Seek Peace and Pursue It' and will highlight the Bible's requirements for peace. Peace is essential to the welfare of mankind in this nuclear age, he said. 'God's instructions for peace will come in our generation that we can share this good news with our fellow man.'"

Addressing the group on Sunday will be Rutherford G. Sakatos, Watchtower representative from Brooklyn, New York. His topic will be "Finding Peace in This Troubled World."
