CARS magazine reports The Lark is the best overall buy among all 23 American automobiles... including all other compacts.

BEST... After judging The Lark—"the Best of the Compacts"—the editors of CARS enlarged their enthusiasm and declared The Lark, "The Best Overall Buy." Here's how they summed up their expert opinion in the June issue of CARS:

MANY REASONS... "The Lark will do anything and go anywhere the larger cars will, at a lower cost... The Lark is styled for both today and tomorrow, and engineered for hard, economical use... On any basis, this is a tough car to beat."

FREE COPY... Pick up your free copy of CARS buyer's guide at your Studebaker Dealer's.

With five of the six compacts, you have to compromise... but with The Lark, there's no compromise on selection, roominess, performance or luxury.
