invitation of the BELLS

America is a land of bells!

Wedding bells, door bells, dinner bells, school bells, sleigh bells. . . . all speak of a country where Freedom from tyranny exists.

Radio chimes keynote freedom of speech as commentators broadcast the news. Typewriter bells ring out freedom of the press. And church bells, whether they be the musical chimes from a cathedral's spire, or the ding dong from the steeple of a village chapel, typify freedom of religion.

Churches throughout the land are open to all. Inside their doors, we cast aside the fetters of worry that shackle our hearts in this atomic age. We find strength and courage to face the unknown future. Our faith, hope and trust in God, who says, "Fear not; for I am with thee," is renewed and peace fills our anxious souls.

Let us accept the invitation of the bells to "Come and worship," and go to church regularly.

THE CHURCH FOR ALL . . . ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.
