

Rauth Family Reunion Held at Louisville

Rauth Family Reunion 11
Sunday a reunion of descendants of the family of John and Anna Rauth, early day settlers of Cass county, was held at the city park at Louisville.

This pioneer couple located in the vicinity of where Mynard is located, their pioneer home being west of the station. Later the family moved west to the center of the county where they settled in the Manley-Louisville community.

The reunion brought together many of the family from Cass county to enjoy the basket dinner in the park and spend the time in visiting.

Among those attending the reunion were Mr. and Mrs. John Stander, Miss Lilly Stander, Mr. and Mrs. Francis Stoll, Mr. and

Mrs. Lee Gegare, Omaha; Mrs. Anna Stoll, Plattsmouth; Mr. and Mrs. Lee Erhart, Springfield; Frank Erhart, Weeping Water; Mr. and Mrs. Ed Stander and Lena Stander and Richard of Manley; Mr. and Mrs. Charlie Lovell and son of Greenwood.

Chile, recently rocked by earthquakes, measures 2,650 miles long but has an average width of only 110 miles.

Larger than Nevada, Utah, and Idaho combined, Chile covers 286,000 square miles. It accounts for a sixth of its area. To the frustration of beach-lovers, most of Chile faces the Pacific with steep cliffs unbroken by sloping shores or curving bays. For hundreds of miles in the north, the sea wall often rises to 3,000 feet.
