

Beef for you

TOP OF THE U. S. CHOICE GRADE

There are many reasons why H-Bar-D means better beef for you. Hinky Dinky meat experts take an active part in the program for developing better beef. They inspect herds and confer with cattlemen on the development of new and better strains of beef. They also work with feed lot operators, feed manufacturers, and college professors in producing new feed formulas.

FINEST FACILITIES

Hinky Dinky's H-Bar-D comes only from U. S. Government Inspected packing plants. And it all must grade right at the top of U. S. Choice beef classifications. Hinky Dinky brings you beef at the peak of flavor and tenderness.

BEEF EXPERTS

Naturally, Hinky Dinky meat men take pride in the excellent facilities in their markets. Facilities designed to protect the tenderness and flavor of H-Bar-D beef. And Hinky Dinky beef is better because the men who serve you in Hinky Dinky meat markets are experts. They're happy to give you advice on proper preparation of any cut. Each cut is backed by the manager's "personal word" guarantee.

E.V.T. — EXTRA VALUE TRIM

Of course Hinky Dinky H-Bar-D beef is cut to rigid E.V.T. specifications. E.V.T. — Extra Value Trim — means that all excess fat and bone are removed before the meat is weighed. You save the difference. Yes, H-Bar-D means better beef for you at Hinky Dinky.
