85% of Cass County soil tests lack phosphorus needed for wheat profits!

1488 U. of N. Soil Tests

Show Vital Shortage of Phosphorus in this County

When soil lacks phosphorus and other essential plant foods, wheat yields drop drastically. When you plant wheat this season, you're taking a big risk if you don't use a complete fertilizer.

You can boost wheat yields 40-45% any year with Bumpero 15-15-5 or 20-10-5. Bumpero provides complete fertilization with adequate nitrogen, phosphorus and potash.

Get a free folder from your dealer showing up-to-date information on fertilizing wheat in this area.

STANDER IMPLEMENT

CUT YOUR GASOLINE BILL as much as \$2.40 per month . . .

use VICKERS Gasoline with TRIPLE-BOOST Amer-All

AMER-ALL is the dynamic difference that makes today's VICKERS Gasoline stand out from other brands. INCREASES POWER, CUTS MAINTENANCE COST, too! Here's why . . .

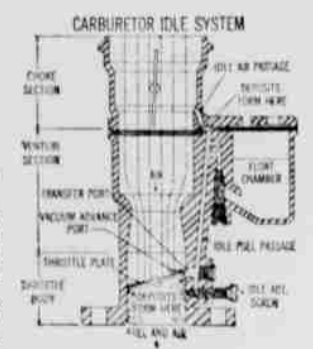

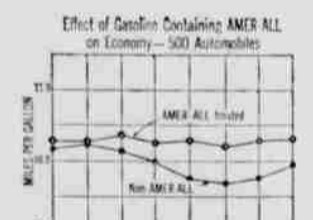

TRIPLE-BOOST BENEFITS OF Amer-All

1. AMER-ALL boosts peak engine horsepower as much as five per cent by cleaning—and keeping clean—the venturi section of the carburetor.
2. AMER-ALL allows a leaner mixture, more economical idling, smoother engine response by removing and stopping the throttle body deposits that cause rough idling, stalling and a wasteful, too-rich fuel mixture.
3. AMER-ALL frees entire fuel system of rust and corrosion, reduces or eliminates carburetor maintenance costs (largest single item of service expense related to automotive fuels and lubricants).

As a result, VICKERS Gasoline with Triple-Boost AMER-ALL can cause a saving in fuel of as many as eight full gallons per month. Even in the stop-and-start driving of city traffic, this would be an average increase of 100 or more miles per month on the same amount of gasoline.

WHAT DOES TRIPLE-BOOST Amer-All COST YOU?

Into every gallon of "None Better" VICKERS Gasoline—already as fine as any on the market—VICKERS blends Triple-Boost AMER-ALL for a still better motor fuel at the same low price.

Look for the sign of VICKERS Quality Products . . .
