Triple-Boost Amer-All

in VICKERS Gasoline

BOOSTS PEAK HORSEPOWER as much as 5%

AMER-ALL is the dynamic difference that makes today's VICKERS Gasoline stand out from other brands. INCREASES POWER, CUTS MAINTENANCE COST, too! Here's why...

TRIPLE-BOOST BENEFITS OF Amer-All

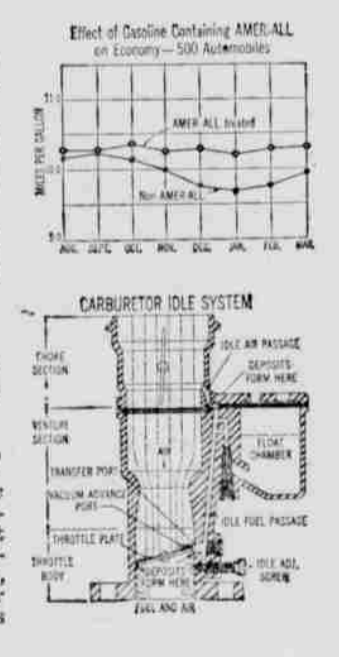

- AMER-ALL boosts peak engine horsepower as much as five per cent by cleaning—and keeping clean—the venturi section of the carburetor.
- AMER-ALL allows a leaner mixture, more economical idling, smoother engine response by removing and stopping the throttle body deposits that cause rough idling, stalling and a wasteful, too-rich fuel mixture.
- AMER-ALL frees entire fuel system of rust and corrosion, reduces or eliminates carburetor maintenance costs (largest single item of service expense related to automotive fuels and lubricants).

As a result, VICKERS Gasoline with Triple-Boost AMER-ALL can cause a saving in fuel of as many as eight full gallons per month. Even in the stop-and-start driving of city traffic, this would be an average increase of 100 or more miles per month on the same amount of gasoline.

WHAT DOES TRIPLE-BOOST Amer-All COST YOU?

Into every gallon of "None Better" VICKERS Gasoline—already as fine as any on the market—VICKERS blends Triple-Boost AMER-ALL for a still better motor fuel at the same low price.

Try just three consecutive tankfuls of VICKERS Gasoline—Regular or Ethyl. Let your own car show you increased power and response, improved mileage and greater economy. Fill up with Vickers today!

Obituary

Frank Henton Johnson, 89, died in his sleep at the Veterans Hospital on Thursday, August 25th.

He was born in Plattsmouth, Cass County, Nebraska on April 14th, 1871. He was the son of Mr. and Mrs. Joseph W. Johnson, pioneer residents of Nebraska. At the age of 13 he began working as a machinist in the Burlington shops in Plattsmouth. In 1892 he became a fireman and, later, a locomotive engineer on the C.B. & Q. He served his country in the war with Spain and the Philippine Insurrection in the Philippines 1898-99 where he was a corporal with Company M, First Nebraska Volunteer Infantry.

Mr. Johnson married Grace Viola Walker in June 1905. Shortly thereafter Mr. Johnson accepted a position as Engineer on the Florida East Coast Railroad where he participated in the construction of the extension of the railroad to the Florida Keys, off the south tip of Florida. During this time the Johnsons resided in St. Augustine, Florida, for about five years.

They then returned to Nebraska and after living a short time in Omaha moved in 1911 to a farm northeast of Weeping Water where they became well known in that farming community. They also had many friends in Plattsmouth and Nehawka. The Johnsons retired from farming in 1927 and moved to Lincoln in order to provide their children with better educational facilities of that city.

Mr. Johnson was a member of the Masonic Lodge Lancaster No. 54 in Lincoln for more than 50 years. He was also a Knight Templar and a Shriner and actively participated in the early functioning of a DeMolay Chapter at Plattsmouth many years ago. He was also a member of the United Spanish War Veterans organization and the First Plymouth Congregational Church.

"Tall Story" Gay Comedy Starting at Cass Sunday

"Tall Story" a gay comedy combining laughs with romance and starring Anthony Perkins and Jane Fonda, plays at the Cass Theater here Sunday thru Tuesday, Sept. 4-6.

Ray Walston, Marc Connelly, Anne Jackson and Murray Hamilton co-star in famed producer-director Joshua Logan's first Mansfield production for Warner Bros.

The comedy is about a series of crises at a West Coast college when a matrimonially-minded girl enrolls there. Being a tall girl, she selects a college noted for its outstanding basketball teams, as the logical place to snare a tall husband. There are amusing complications when she wages a persistent campaign to entrap the studious star of the team, even using the unwitting aid of two professors.

Superior treatment of the entertaining story is assured by the fact that Joshua Logan was one of the most distinguished records ever attained in the media of stage and screen. His stage hits include South Pacific, Mister Roberts, Picnic and Middle of the Night. In motion pictures he has directed South Pacific, Sayonara, Bus Stop and Picnic.

Anthony Perkins is cast as Ray Bient, the basketball player who unerringly shoots field goals by the application of a scientific principle. The versatile young man was an Academy Award nominee for his role in Friendly Persuasion.—Adv.
