Licenses Denied, Suspended

The Nebraska Liquor Control Commission in Lincoln last week denied a package liquor license sought by a Plattsmouth man and ordered a 14-day suspension of a Class C license held by a license man, after separate hearings Monday.

Keener I. Price had applied for a retail package liquor license for 316 Chicago Avenue where he lives and operates an auto repair business.

He applied to the City Council which denied the application in a 3-2 decision.

The Liquor Commission hearing followed. Price appeared with his attorney, Rudolph Tesar of Omaha. The State was represented by Edward F. Carter Jr., an assistant attorney general.

Evidence was submitted on behalf of Price. Sheriff Tom Solomon of Plattsmouth appeared as a character witness and to testify about patrolling in Plattsmouth.

The City Council of Plattsmouth was represented by Mayor Grant Roberts. Councilman Warren Rhylander was also present.

The Commission's ruling, announced in a letter to the city clerk; the evidence fails to show that the City Council acted arbitrarily and without good and sufficient cause. The application should be denied. Price was assessed costs of \$15.

After the other hearing, the Commission ordered the Class C license of Ralph Timm for Tim's Bar, 525 Main, suspended for two weeks.

Timm appeared on his own behalf. Carter represented the State.

The Commission ruled: 1. that the licensee did on Sept. 20, maintain the licensed premises in an unsanitary condition not conducive to public health and welfare, in violation of Rule 19 of the Nebraska Liquor Control Act.

2. that the licensee failed to observe in good faith the intent and purposes of the Nebraska Liquor Control Act.

3. that the license be suspended for a period of 14 days. The suspension begins after business hours Oct. 26 and lasts until the regular opening time Nov. 10.

Timm was assessed costs of \$15. The proceeding was initiated after an inspection of the bar by a Liquor Control Commission agent.

The chairman also stated that a special feature will be the "Witch Wagon", attended by a number of witches in typical Halloween style, who will award special prizes to five of the costumed paraders, who can be found at home thirty minutes after the curfew is sounded ending the celebration.
