Albert Hansen Reports on ULC Merger Convention

The service at Christ Lutheran Church Sunday morning was rather unusual.

After the liturgical service, Albert Hansen, of Plattsmouth, a member of Christ Lutheran Church, and its secretary, played a record giving the Highlights of the United Lutheran Church Convention held at Atlantic City, N. J. Oct. 13-20.

He added remarks on the convention which he attended as elected delegate of the Central States Synod, which has its headquarters in Omaha, and is one of the 32 synods composing the United Lutheran Church.

Hansen, as delegate, his wife and Pastor Mrs. A. B. Lentz, as visitors, attended the history-making convention, which unanimously approved the Merger with the Augustana Synod, the American Evangelical Lutheran Church and the Suomi Synod (a Finnish Lutheran church).

Constitutional requirements make it impossible to consummate the largest Lutheran body in American Lutheranism. The new body will be called "The Lutheran Church in America".

The convention was held in one of the smaller convention halls of the 30 million dollar building. The same building in which just a week or two before Miss America had been chosen. The 676 delegates were all seated at tables.

The convention was presided over by Dr. Franklin Clark Fry; the President of the United Lutheran Church for the past 14 years; Dr. Fry is also the acting Vice-president of the National Council of Christian Churches in America; a vice President of the Federation, which comprises nearly all Lutheran Bodies in the World. He presided in his usual brilliant manner.

Hansen, and the visitors reported an interesting convention. A great deal of business was transacted. All the Boards reported - one of the Boards, of which pastor Lentz is a member, reported that by 1964 a new program and curriculum for Parish Education will go into effect; this program begins with the 2 year olds and goes on to old age.

Another interesting report came up in the report of the Board of Social Missions; With regard to War and Peace.

The portion that caused a great deal of debate which was finally approved in an amended form, now reads:

"We urge the governments of the United States and Canada to wage peace and seek the prevention of war simultaneously (a) by assisting the economically underprivileged nations of the world to attain higher standards of living; (b) consolidating and extending their ties with free nations; (c) engaging with other governments in peaceful competition where important differences exist and in peaceful cooperation where fundamental principle is not compromised. Another recommendation of the Board to abolish Capital Punishment was defeated."

Perhaps one of the most colorful reports was that of the Board for Foreign Missions, with missionaries and native missionaries all in their native colorful costumes.

Mr. and Mrs. Hansen and Rev. and Mrs. Lentz were impressed by the convention. Mr. Hansen will also be the delegate to the next convention at which the Merger will be consummated in 1962.
