

Central PTA Meeting Is 'Open House'

The Central PTA held open house at its regular meeting Monday, Dec. 5, giving the parents an opportunity to visit the classrooms, see their child's work and talk with the teacher. Each room had been beautifully decorated for Christmas by the pupils and teacher.

Following the room visitation, the meeting was called to order in the school cafeteria.

Mrs. Robert Hirz, introduced the program for the evening. Roger Hutchinson played a piano solo, "The Holy City" and a trio of PTA mothers, Mrs. Harold Edwards, Mrs. Don Miller and Mrs. Warren Catron, sang two selections, "When Children Pray" and "Virgin's Slumber Song," accompanied by Mrs. George Jacobs.

President, Mrs. John Adkins, led the group in the reading of the objects of the Parents-Teachers Association.

It was voted that the January meeting originally scheduled for Monday, January 2, will be changed to Monday, January 9, because of Christmas vacation.

Mrs. Warren Catron, membership chairman, reported 132 paid members. She also told of the membership posters displayed in each classroom showing the parent's membership.

Mrs. Harold Edwards, chairman of Spiritual Education, explained a book list prepared by her committee, which will be sent to each parent. This list has been made for three age levels and gives book titles and prices of books suitable for the various ages. It is hoped this list will prove useful to the parents for their Christmas shopping and for gifts throughout the year.

The project committee reported that two globes and the xylophone have been ordered. Miss Hall, music supervisor, will check the records on hand and make a list of those needed.

Anyone having children's books and records suitable for kindergarten age was asked to donate them to the kindergarten class.

It was voted that the PTA will again purchase a Christmas tree for each classroom. Ray Bourne was named chairman of this project.

Room count was taken and Miss Lammers 1st grade was the winner of the banner and book.

Mrs. Stewart thanked the PTA for the Christmas corsages which had been presented each teacher for the open house.

Mrs. Robert Hirz, program chairman, announced that at the January meeting Mr. Jim Lane, from the Omaha school system, will speak on discipline and behavior problems.

Mrs. Hirz closed the meeting with a thought from the editors of McCall's magazine, "Could You Spare Five Minutes of Christmas?"

Refreshments were served by the fourth grade with Mrs. Iona Gleason, teacher.

High-Low

Hubby — Don't you think your gown is cut a little too low, my dear?

Wifey — Not at all. Why it's made in the height of fashion.

Employment of white-collar workers has grown faster in the postwar period than the labor force as a whole. From 1947 to 1959 the total number of civilians employed increased 13.4 percent, while white-collar employment rose 38 percent.
