

### Reminder about Christmas Seals In Mail Here

Cass County residents will soon be receiving a colorful reminder about Christmas Seals from the Cass County Tuberculosis Committee.

Mailed out today, the reminder is also a plea, asking those who received Seals to send contributions to the county TB organization.

The Christmas Seal reminder is a special return envelope addressed to the Cass County Tuberculosis Association. Artwork shows an attractive young housewife discovering a pile of unmailed letters in her husband's coat pocket. The message reads, "He forgot to mail my letters. Did this happen to you? Did you forget to send your Christmas Seal contribution to fight TB? None of us can afford to forget tuberculosis. It is not too late to mail your contribution today. Christmas Seals help protect the family circle. Help fight TB—Use Christmas Seals."

Mrs. Oliver Schiber, Christmas Seal Chairman said, "Contributions are needed for expansion of the tuberculosis control program. Christmas Seal funds make possible health education programs, medical research, case finding and rehabilitation of TB patients."

Christmas Seal sale is sponsored by Cass County Salon No 441 of the 8 & 40.

AND THERE I SAW A CROWD, A HOST OF SMILING dolls, special for somebody's Christmas. "Somebody" in the case of these 100 dolls shown at the home of Mrs. Jack Brookhouser here happens to be a lot of little girls who otherwise might not get a doll for Christmas. It'll be "Merry Christmas" from Plattsmouth Bluebirds and Camp Fire Girls who worked on the project together with others of the Omaha Council of Camp Fire Girls.

### County Fair To Get \$1,224 From Ak-Sar-Ben

LINCOLN — Nebraska's county fairs will receive an all-time record in revenue from the 1960 Thoroughbred horse racing season in this state. Dr. H. C. Zellers of Lincoln, chairman of the Nebraska State Racing Commission, reported today.

A total of \$113,878.50 is being distributed this week by the Commission, with all 93 counties in Nebraska receiving an equal share.

Each county will receive \$1,224.50 as compared to last year's previous record high of \$1,113.01. Two years ago the amount was \$785.55.

Dr. Zellers attributed the record sum to the "outstanding patronage at Ak-Sar-Ben and the other Nebraska tracks."

As in the past, the bulk of the revenue came from the Ak-Sar-Ben meeting in Omaha, which contributed \$81,269.45 in admission taxes and license fees collected.

In addition to the funds received from the Racing Commission, Nebraska's county fairs were also aided during the year by additional appropriations, contributed directly by Ak-Sar-Ben, of more than \$37,000 to help the fairs make permanent improvements on their fairgrounds, \$25,000 for 4-H and FFA premiums and \$25,000 for open class premiums and clean-up spruce-up painting programs.

Nebraska's general tax fund under the 2 per cent mutual tax received a total of \$584,545.90 from the meetings at Omaha, Grand Island, Columbus, Lincoln and South Sioux City, which were subject to taxation, of which \$452,144.72 came from Ak-Sar-Ben.

Thus, the state of Nebraska shared in Ak-Sar-Ben's race meet to the extent of more than half a million dollars this year.

### Camp Fire Girls, Bluebirds Here Give Santa a Lift

The Plattsmouth Bluebirds and Camp Fire girls have been giving Santa Claus a helping hand during the past two weeks.

The Camp Fire doll workshop in Omaha gathered in some seven-hundred dolls to be washed and repaired. They in turn distributed these dolls among the various districts represented in the Omaha Council of Camp Fire girls.

Plattsmouth girls did more than their share during the recent weeks by dressing and even making wigs for approximately 100 of these dolls.

Bluebirds did various tasks for

mother, while she dressed dolls, and Camp Fire girls did a good share of the sewing themselves in order to fill another requirement for passing rank.

The dolls are now being returned to the Camp Fire Office for distribution to children for less fortunate than our own "little girls in blue." These dolls are twice blessed, first with the joy of giving, and then that of receiving.

### Good Progress Reported On Sewage Disposal Plant

It is expected the sewage treatment plant being built here will be ready for operation next Spring, perhaps by April, providing construction continues at the current pace.

Board of Public Works Manager Robert Cappell said work on the treatment plant is about 50 per cent done and continues despite colder weather.

Purtzer and Dutton of Norton, Kan., is building the plant. A plastic shelter around the huge digester unit (see pictures) is permitting tile-laying work to continue in comparative comfort for masons.

Some more cement work has to be done on the clarifier but Inspector Jim Markham said the cold isn't expected to curtail that work.

Meanwhile, Anchor Construction of Omaha is going ahead with the sewer lines. The outfall line to the Missouri River from the plant is completed. The

outlet sewer leading to the plant is being installed and by last weekend workmen had gone about half way from the plant site to the Burlington Railroad tracks.

Work also continues on the outlet and interceptor above the tracks.

Markham said the cold will probably help the sewer line work if it isn't too severe. Trouble with the ground caving in around the deep cuts is lessened by frost.

Cappell said that if progress continues the plant might be completed by Feb. 1.

Plattsmouth and the Federal Government which requires the plant to be built are sharing construction cost.

### Appeal Made for Blood Donors Here Dec. 19

Mrs. Orval Kahler, Cass County's Red Cross Chairman, today reminded readers the Bloodmobile will be in Plattsmouth Dec. 19.

Mrs. Kahler said, "The past census revealed Plattsmouth has more than 6,000 people living here, surely there are 100 to 200 people who can spare 30 to 40 minutes to give one pint of blood and which perhaps some time may save a life."
