

Columbian PTA Meets Tuesday

The December meeting of the Columbian PTA will be held Tuesday, Dec. 13, in the Kindergarten room.

Program chairman Mrs. Wanda Bruns said that Jerry Regier, superintendent of the School for the Blind at Nebraska City, will have a film and also tell of the steps in training the blind to read.

The meeting will begin at 8 p.m. and President George Sarver urged all members to attend.

Sarpy County Settles Five Commissioners

Sarpy county seems to have adjusted their troubles over the five district adjustment of the board of commissioners. Under the redistricting, two of the board were placed in the same district and each have two years of their term to serve.

The matter has been adjusted as Harold Ely of Papillion will look after the affairs of the O-futt base and LaPlatte district until the next election.

Eagle, Elmwood Sites for Meetings on Atlas Missile

LINCOLN AFB—A three-man team of Strategic Air Command Atlas Missile Site-experts from Lincoln Air Force Base are scheduled to address a dozen or more public meetings beginning the 15th of this month in cities and towns adjacent to the twelve Atlas Missile Sites now under construction in south-eastern Nebraska.

The purpose of the tour as announced by Colonel Thomas G. Corbin, Commander of the 818th Air Division at Lincoln Air Base is to give the people of Nebraska a first-hand account of the Strategic Air Command's newest weapon system, the Atlas Atlas Intercontinental Ballistic Missile.

Along with Colonel Corbin on the speaking tour will be Lieutenant Colonel Frederick H. Marsh, the 818th Air Division Missile Officer, and Mr. Fred J. Childress of the Convair Astronautics Corporation.

The three-man presentation which includes color slides and 16mm sound movies, followed by an open question and answer period, is designed to provide local citizens with all the information that can be given them.

This includes a brief history of the development of the Atlas and its subsequent assembly-line production for the United States Air Force; how the Atlas is used by the Strategic Air Command in conjunction with the manned-bomber force; and how the Atlas Missile Sites will effect nearby communities.

Cancer Society, State Division, Can Take Memorials

Memorial contributions to the American Cancer Society, Nebraska Division, now can be received in compliance with the Division's new policy on Memorial giving. A tangible "receipt" is now offered the donor in the form of establishing a research grant, or part of one, in memory of the loved one designated in the Memorial.

Most recent example is the autotechnician presented to Dr. Richard E. Ogborn of the University of Nebraska College of Medicine and named in honor of Mr. Raymond J. Larson, Jr. Mr. Larson, of Omaha, died in 1960 of cancer.

For additional information on this type of Memorial, contact your local Unit Memorial Chairman of the American Cancer Society, Nebraska Division, or write the Division office at 4201 Dodge Street, Omaha 31, Nebraska.

1960 One of Best Years for Seed

Lincoln — A late fall and good drying conditions have helped make 1960 one of the best seed production years on record, according to Warren Saha, manager of the University of Nebraska Foundation Seed Division.

"All harvesting has been completed with excellent yields on hand," Saha points out.

"The Foundation Seed Division has a good inventory of hybrid corn and hybrid sorghum parent seed available for 1961 planting along with foundation seed supplies of the more important varieties of oats, barley, grasses, and soybeans."

"A sizeable increase of an experimental winter barley variety is making good progress. The new variety may be released in 1961 pending approval and recommendation by the Nebraska Agricultural Experiment Station," Saha stated.
