Regent Mrs. Gobelman presided. Mrs. Johnston led in giving the Pledge of Allegiance and the American Creed.

Mrs. Philpot gave the devotionals. This was an expression of faith and hope for the future and she closed with a prayer for divine guidance for our state and nation.

Mrs. Rosencrans read the President General's letter and gave, briefly, the contents of a few other articles in the Jan. DAR magazine.

Mrs. Gobelman reminded the committee chairman to get reports ready to send in next month. The state officers need these before the state convention, which this year will meet in North Platte in March.

**HELPING YOUR VOLUNTEER FIREMEN - A NEW AK-SAR-BEN ACTIVITY**

Now, Ak-Sar-Ben has established another important program to help in protecting the public safety. Ak-Sar-Ben is now contributing funds to help make possible the annual school conducted for the training of Nebraska's volunteer fire departments. Ak-Sar-Ben is also making annual cash awards to the volunteer fire departments and individual volunteer firemen who are making outstanding contributions to their respective communities.

For many years, Ak-Sar-Ben has made important contributions to public health and safety in the state. Ak-Sar-Ben is always among the first to respond when disaster strikes. Important life-saving, fire-fighting and hospital equipment is now being used every day in many Nebraska communities because Ak-Sar-Ben helped make it possible.

For years to come, many Nebraskans may well owe their lives to the spirit of service exhibited by Ak-Sar-Ben.

Yesterday...today...tomorrow — Nebraska is a better place because of the Ak-Sar-Ben programs made possible solely by the revenues from thoroughbred racing.
