Plattsmouth's Blue Devil basketball team meets Missouri Valley, Iowa, in what should be a good match as the second game of tonight's card in the Ak-Sar-Ben Conference Tournament at Ralston.

The Devils are 1-7 for the season so far. Missouri Valley was 2-8 up to last weekend. The game is at 8:30, after Blair, top-seeded in the meet, has met Papillon in the opener at 7 o'clock.

Winners of those two games will meet Thursday at 7 o'clock in the first semifinals game.

The other Thursday game will pit winners of Tuesday night's first round—Ashland vs. guest Louisville at 7 and Tekamah vs. defending champion Ralston at 8:30.

The championship game is Friday night at 8:30, after Thursday night's losers have played for third place at 7 o'clock.

Devils' Rally Falls Short, 71 - 61

Plattsmouth High's Blue Devils rallied in the second half but fell short a field goal of getting into real contention in the waning minutes of the game, then lost to Crete Saturday night, 71-61, in Twin Rivers Conference basketball.

The Devils were down, 32-26, at the half and, 49-41, after three quarters.

Then, Roger Beverage and Denny Campbell led a comeback that brought the Devils to within three a couple times and within a basket of evening the count on two occasions.

Crete, though, had enough to weather the rally and kill the Devils with free throws down stretch.

Beverage, game's high scorer with 24, got four baskets in the last quarter and 13 points in the last half. He was great rebounding under both boards. The Devils' inability to get the ball to him more often proved their undoing.

Campbell, totaling 12 for the game, got six points the fourth quarter and eight the second half.

For Crete, which had suffered a big loss the night before to York, Milo Olson scored 23 points and displayed ability to make the key play or score the important basket.

Roger Douglas led Crete's vital free-throwing in the home stretch, as Plattsmouth had no choice but to press closely and was called on several fouls. Douglas made six for six and Crete 12 for 14 from the foul line the last eight minutes.

The loss was Plattsmouth's seventh in eight games. The win was Crete's third in seven contests.

AFTER IT, MEN!—Plattsmouth Reserve court, Butch McGraw (24) was closest to the players (in white) may seem agitated at turn of ball and about to be first in pursuit. events as the ball eludes them and heads down.

Reserves Withstand Rally to Win 7th in 8 Games, 33-26

Plattsmouth's cage Reserves held on tight through a rugged fourth quarter to defeat Crete's Reserves here Saturday night, 33-26.

It was the Junior Blue Devils' seventh win in eight games.

Plattsmouth led, 18-12, at the half and, 27-17, at the end of three quarters. But, Crete rallied early in the fourth quarter and the Devils had to use control through the last three minutes to preserve their win.

Fieldgoalless, Plattsmouth was outscored in the last eight minutes, 9 to 6.

Dan Schultz led the Devils with 12 and Jim Ingwerson got 11 and played a key game of rebounding.

305 Sand Hills Antelope Trapped

LINCOLN — The mid-season tally of antelope captured and transplanted to the Sand Hills this winter is 305, reports the Nebraska Game Commission.

Last winter's total was 557. The project is designed to repopulate the Sand Hills with the pronghorn in order to provide more huntable game to more Nebraskans.

Trappings Jan. 11 and 12 netted 75 animals from the Jiggs Mader ranch northwest of Montrose in the extreme northwestern tip of the state. These were to be trucked to a release site north of Arnold in Custer County.

Last week, Jan. 6, 78 pronghorns were hazed into the trap on the same location and later released south of Cody in Cherry County.

According to Director M. O. Steen, the southern and western parts of the Sand Hills will receive most of the shipments of antelope during the trapping season. Northern and eastern areas were sites of most 1959-60 releases.

Ash Grove Fish May Be Record

LOUISVILLE (Special) — A fish caught by Frank Tyo in Ash Grove Lake last October, has been mounted and is on display in the window of Dolan's Store.

The fish weighed nine and a half pounds and at first identification was not known, but local fishermen have stated it could be a Silver Perch. As far as it is known locally the record for that type of fish is four and a half pounds.
