A "NEW LOOK" FOR COUNTY FAIR BUILDINGS— ANOTHER AK-SAR-BEN ACTIVITY

Last year, Ak-Sar-Ben for the first time sponsored a "spruce up" campaign for Nebraska's county fair grounds. Every county fair was eligible to participate in this dollar-matching program to "paint up... clean up... fix up."

For many years, Ak-Sar-Ben has contributed to every county of the state for much-needed improvement of fair buildings and grounds. In the past seven years alone, this contribution has amounted to more than \$300,000 on a dollar-matching basis.

To reward and encourage young farm folk, Ak-Sar-Ben appropriates \$25,000 each year to special premiums for 4-H and FFA exhibitors at county fairs, plus thousands more for open classes. All this is in addition to the license fees and admission taxes collected at Ak-Sar-Ben race meets, which bring many more thousands of dollars every year to the state's county fairs.

Yesterday... today... tomorrow — Nebraska's county fairs are better because of the Ak-Sar-Ben programs made possible solely by the revenues from thoroughbred racing.
